BEECH CREEK BRANCH LINE

Comment Form for Public Scoping Meeting
February 10, 2009

Thank you for joining us tonight to learn about environmental studies for the proposed reactivation of the Beech Creek Branch Line. An important component of the environmental clearance process is to gather and consider comments from the interested public. Please complete the information below and deposit this form in one of the collection boxes marked "Comment Forms".

1. In which municipality and county is your residence located?

   Centre

2. How did you learn about the meeting tonight?

   Newspaper

3. Please tell us your comments about the information presented here tonight. (How well was the information presented; was it informative and understandable; were the consultants helpful in answering your questions; etc.) yes.

   We don't need a railroad to bring more trash from NY & NJ.

   Let NY state take care of their garbage & NJ also.

4. What additional comments about the proposed rail reactivation would you like to add?

   The railroad is not necessary if it is just to bring trash to these rural areas. We do not need this garbage in our back yards.
