# BEECH CREEK BRANCH LINE

## Comment Form for Public Scoping Meeting
## February 10, 2009

*Thank you for joining us tonight to learn about environmental studies for the proposed reactivation of the Beech Creek Branch Line. An important component of the environmental clearance process is to gather and consider comments from the interested public. Please complete the information below and deposit this form in one of the collection boxes marked "Comment Forms".*

1. In which municipality and county is your residence located?

Snowshoe Twp. Centre Co.

2. How did you learn about the meeting tonight?

Mail from People Protecting Communities

3. Please tell us your comments about the information presented here tonight. (How well was the information presented; was it informative and understandable; were the consultants helpful in answering your questions; etc.)

Information was presented well

4. What additional comments about the proposed rail reactivation would you like to add?

We don't want garbage or anything else to ruin our homes, camps & recreation opportunities on thousands of acres of wilderness land.

There should be a public hearing before anything is done on this matter.
