Dear Representatives Shuster, DeFazio, Denham, and Capuano,

I am writing to provide information pertaining to the Surface Transportation Board's implementation of Public Law 114-110, *Surface Transportation Board Reauthorization Act of 2015* ("Reauthorization Act" or "Act"). With this letter, please find a status chart of the major actions that the Board is undertaking to execute these requirements. I will continue to send you monthly updates until all relevant provisions of the Reauthorization Act are completed.

Arbitration. I am pleased to report that on May 12, 2016, the Board issued a notice of proposed rulemaking amending our existing procedures for the arbitration of disputes before the Board, to make those procedures conform to the statutory requirements in Section 13 of the Reauthorization Act. Comments on the proposed rulemaking are due by June 13, 2016, and replies are due by July 1, 2016.

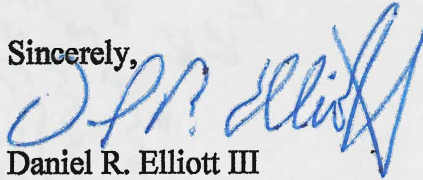

Investigative Authority. On May 16, 2016, the Board issued a notice of proposed rulemaking to establish procedures for Board-initiated investigations pursuant to Section 12 of the

Reauthorization Act. Comments on the proposed rulemaking are due by June 15, 2016, and replies are due by July 15, 2016.

Rate Cases. I previously reported that the Board held a series of informal meetings with practitioners, consultants, and stakeholders to share their views and ideas for expediting large rate cases. Those meetings were productive and led to a number of promising ideas to help the Board process large rate cases more quickly. My intention is to initiate a proceeding by June 15, 2016, in accordance with Section 11 of the Act, and report further on that in my next update.

Thank you for your thoughtful oversight and ongoing interest in the Board. Please do not hesitate to contact me with any questions about this or any other matter before the Board.

Sincerely,

Daniel R. Elliott III  
Chairman
