BEECH CREEK BRANCH LINE

Comment Form for Public Scoping Meeting
February 10, 2009

Thank you for joining us tonight to learn about environmental studies for the proposed reactivation of the Beech Creek Branch Line. An important component of the environmental clearance process is to gather and consider comments from the interested public. Please complete the information below and deposit this form in one of the collection boxes marked "Comment Forms".

1. In which municipality and county is your residence located?

   Cooper Township Clearfield County

2. How did you learn about the meeting tonight?

   Letter to Cooper Township

3. Please tell us your comments about the information presented here tonight. (How well was the information presented; was it informative and understandable; were the consultants helpful in answering your questions; etc.)

4. What additional comments about the proposed rail reactivation would you like to add?

   Cooper Township is concerned if rail car would have liquid running out of Rail Cars and would cause damage to the water supply. [redacted] which would supply the township. residents with water.

   What should tax payers paid to put the railways back.
