BEECH CREEK BRANCH LINE

Comment Form for Public Scoping Meeting
February 10, 2009

Thank you for joining us tonight to learn about environmental studies for the proposed reactivation of the Beech Creek Branch Line. An important component of the environmental clearance process is to gather and consider comments from the interested public. Please complete the information below and deposit this form in one of the collection boxes marked "Comment Forms".

1. In which municipality and county is your residence located?

Clearfield - Clearfield

2. How did you learn about the meeting tonight?

Landfill Group - Friends - Newspaper.

3. Please tell us your comments about the information presented here tonight. (How well was the information presented; was it informative and understandable; were the consultants helpful in answering your questions; etc.)

Information Poor / Repeated

Consultants: Friendly but very Afraid to voice Anything - they were like gov't ~~[illegible]~~ Recordings

4. What additional comments about the proposed rail reactivation would you like to add?

I think This would only Benefit The Landfill!

Industrial Park would be created to benefit Landfill - Coal or Gravel, etc would be Hauled as cover.

To Start in Clearfield near Their Motels & Restaurant Area with stinking Garbage is An Insult to All of us (from Clearfield to Snow Shoe)

Give Resource Recovery their Damn Instate Exit and Be Done with it!

Then they only Kill A few Hundred people w/cancer in Snow Shoe

Not Thousands From Clearfield [illegible]

*Would like A public Meeting / Speakers Town Hall Type Meeting
