ASSIGNMENT AND ASSUMPTION AGREEMENT
(BraeCar Trust)

THIS ASSIGNMENT AND ASSUMPTION AGREEMENT (the "Agreement"), dated June 6, 1996, by and between USL CAPITAL CORPORATION, a Delaware corporation ("Assignor") and GATX THIRD AIRCRAFT CORPORATION, a Delaware corporation ("Purchaser").

RECITALS

Assignor, Ford Motor Credit Company ("FMCC"), and Purchaser are parties to a Purchase Agreement dated as of June 6, 1996 (the "Purchase Agreement").

The Purchase Agreement provides, among other things, for the execution and delivery of an assignment and assumption in substantially the form hereof to evidence the assignment by Assignor to Purchaser of all right, title and interest of Assignor in and to the Master Car Lease Agreements and related Schedules described in the attached Annex A (Full and Partial Assignment) (in each case to the extent they relate to the Equipment described below) (collectively, the "Leases"), and the assumption by Purchaser of certain of the rights and obligations of Assignor under the Leases. The Leases have been entered into by Assignor as "Lessor" pursuant to a Management Agreement between Assignor and FMCC.

NOW, THEREFORE, in consideration of the premises and the mutual covenants and agreements herein contained, the parties hereto do hereby agree as follows:

1. Definitions. Unless otherwise defined herein, capitalized terms used herein shall have the meanings given to them in the Purchase Agreement.

2. Assignment. Assignor does hereby GRANT, BARGAIN, ASSIGN, TRANSFER, SELL, DELIVER AND CONVEY UNTO PURCHASER, ITS SUCCESSORS AND ASSIGNS, TO HAVE AND TO HOLD FOREVER, all of Assignor's right, title and interest in and to the Leases excluding, however, in each case, any Prior Claim. Assignor represents and warrants to Purchaser that (i) Assignor has good and marketable title to the Leases, free and clear of all Liens; and (ii) Annex B hereto describes the Equipment subject to each of the Leases.

3. Assumption. Purchaser hereby confirms that it shall be deemed a party to the Leases on the date hereof, and it agrees to be bound by all of the terms of such Leases and undertakes to assume all of the obligations of Assignor contained in the Leases, to the extent that they relate to events occurring or arising on and after the date hereof. Upon the delivery of this Agreement, Assignor shall not be responsible to any person for the discharge or performance of any duty or obligation as Lessor pursuant to or in connection with the Leases to the extent that they relate to events occurring or arising on and after the date hereof; provided that Assignor shall remain responsible for all Prior Obligations. Purchaser shall not be responsible to any person for the

discharge or performance of any Prior Obligations, including without limitation, any duty or obligation of the Assignor in connection with the Leases arising prior to the date hereof.

4. Further Assurances. Assignor agrees to execute and deliver such further documents, and to do such further things, as Purchaser may reasonably request, and at Purchaser's sole expense, in order to more fully effect this Agreement and the transactions contemplated by the Purchase Agreement. Purchaser agrees to execute and deliver such further documents, and to do such further things, as Assignor may reasonably request and at Assignor's sole expense, in order to more fully effect this Agreement and the transactions contemplated hereby and by the Purchase Agreement.

5. Governing Law. This instrument shall be governed by, and construed and interpreted in accordance with, the laws of the State of California.

6. Counterparts. This Agreement may be executed in separate counterparts, each of which when so executed and delivered shall be an original for all purposes, but all such counterparts shall constitute but one and the same instrument.
