PROPERTY TRANSFER CERTIFICATE

Pursuant to the authority of Section 204(b) of the Passenger Railroad Rebuilding Act of 1980 (Public Law 96-254, 45 U.S.C. 854(j)) and Federal Railroad Administration (FRA) Order 4600.6, the Federal Railroad Administration hereby transfers to the National Railroad Passenger Corporation (Amtrak) all right, title and interest to the real property listed in Attachment A to this Certificate and the personal property listed in Attachment B to this Certificate subject to the terms and conditions contained in this Certificate.

The property transferred by this Certificate (hereinafter called transferred property) was acquired for use in the Northeast Corridor Improvement Project (Project) and the transferred property is hereby declared excess to the Project.

This transfer is subject to the following terms and conditions which shall be accepted by Amtrak in writing:

1. In accordance with Section 409 of the Mortgage dated December 7, 1976 held by the United States against the property of Amtrak and the requirements of Section 204(b) of Public Law 96-254, the transferred property shall be subject to the mortgage. The transfer of the property shall not be effective unless and until Amtrak has perfected the lien of the mortgage as a lien upon the transferred property in accordance with Sections 1.10, 4.09 and 4.10 of the mortgage.

2. The terms and conditions of Sections 8.40(c)(iii), 9.02(g), 9.02(h) and 9.02(i) of the Amtrak-FRA Contract (DOT-FR-T3003), shall be applicable to the personal property transferred by this Certificate.

3. The transferred property shall be conveyed to Amtrak as is, where is and the Government shall not be liable for any costs of repair, improvement or restoration, whether or not the need for such repair, improvement or restoration arose prior to the effective date of the transfer, except as may be provided for in the Amtrak-FRA Contract (DOT-FR-T3003) or other express agreement between Amtrak and the United States Government.

4. The transferred property shall be under the exclusive care and control of Amtrak except as limited by Paragraph 6f of FRA Order 4600.6. However, whenever the transferred property is needed for Project purposes, Amtrak shall use the transferred property, or equivalent Amtrak property if such Amtrak property is not available, for such Project purposes in preference to other purposes. By receiving the transferred property, Amtrak acknowledges that Amtrak does not need any property serving the same or substantially similar functions as the transferred property in addition to the transferred property and other property already supplied under Amtrak-FRA Contract DOT-FR-T3003 as Government property in order to perform its obligation under Contract DOT-FR-T3003.

Amtrak shall indemnify and hold harmless the United States against liability for loss or damage to property or death or bodily injury which arises out of the use or possession by Amtrak, or any of Amtrak's licensees, leasees, permittees, grantees or anyone else who receives title to, interest in or use of the transferred property from Amtrak, of any of the transferred property except that this indemnification and agreement to hold harmless shall not apply to liabilities arising out of the use of the transferred property for the performance, and under the provisions, of Amtrak-FRA Contract DOT-FR-T3003.

6. Immediately upon this transfer being effective, Amtrak shall remove all Government identification from the transferred property and revise all inventory and other records to reflect Amtrak ownership except that the current Amtrak inventory identification number shall be maintained for each item of personal property transferred.

7. This transfer shall be effective upon the written acknowledgement of receipt of the transferred property by Amtrak and acceptance of the terms and conditions contained in this Certificate.
