Upon the filing of the financing statements and the other filings necessary to perfect such security interest, the Secured Party will have a duly perfected first priority security interest in the Collateral.

Section 3.04 No Filings By Third Parties. No financing statement or other public notice or recording covering the Collateral is on file in any public office (other than any financing statement or other public notice or recording naming Secured Party as the secured party therein), and Debtor will not execute any such financing statement or other public notice or recording so long as any of the Obligations are outstanding.

Each item of Equipment subject to a Lease has been delivered to, and accepted by, the lessee under such Lease. All legal and beneficial rights of the lessor under any Lease are held by Debtor.

(b) The amount shown as to each Account on Debtor's books is or will be the true and undisputed amount owing and unpaid thereon. Each Account arose or shall have arisen in the ordinary course of Debtor's business; provided, however, that any Accounts which arose or hereafter arise outside the ordinary course of Debtor's business shall nevertheless be included as part of the Collateral. ARTICLE 4

COVENANTS AND AGREEMENTS

Debtor will at all times comply with the covenants and agreements contained in this Article 4, from the date hereof and for so long as any part of the Obligations are outstanding.

Section 4.01 Change in Location of Collateral or Debtor. Debtor will cause each item of Equipment to be kept in jurisdictions in which all action necessary to perfect Secured Party's security interests have been duly accomplished, provided, however, that a lessee may use or keep Equipment constituting goods that are mobile and of the type normally used within more than one jurisdiction within the meaning of Subsection 9.103(c)(1) of the Code in such other locations as are permitted by the Lease for the Equipment. Debtor will give Secured Party 30 days' prior written notice of (i) the opening or closing of any place of Debtor's business or (ii) any change in the location of Debtor's chief executive office or address.

Section 4.02 Change in Debtor's Name or Corporate Structure. Debtor will not change its name, identity or corporate structure (including, without limitation, any merger, consolidation or sale of substantially all of its assets) without notifying Secured Party of such change in writing at least 30 days prior to the effective date of such change. Without the express written consent of Secured Party, however, Debtor will not engage in any other business or transaction under any name other than Debtor's name hereunder.

Section 4.03 Documents; Collateral in Possession of Third Parties. If certificates of title or other documents evidencing ownership or possession of the Collateral are issued or outstanding, Debtor will cause the interest of Secured Party to be properly noted thereon and will, forthwith upon receipt, deliver same to Secured Party. If any Collateral is at any time in the possession or control of any warehouseman, bailee, agent or independent contractor, Debtor shall notify such Person of Secured Party's security interest in such Collateral. Debtor shall instruct any such Person to hold all such Collateral for Secured Party's account subject to Debtor's instructions, or, if an Event of Default shall have occurred, subject to Secured Party's instructions.

Section 4.04 Delivery of Letters of Credit and Instruments; Chattel Paper. Debtor will deliver each letter of credit, if any, included in the Collateral to Secured Party, in each case forthwith upon receipt by or for the account of Debtor. If any Account becomes evidenced by a promissory note, trade acceptance or any other instrument for the payment of money (other than checks or drafts in payment of Accounts collected by Debtor in the ordinary course of business prior to notification by Secured Party under Section 6.02(h)), Debtor will immediately deliver such instrument to Secured Party appropriately endorsed and, regardless of the form of presentment, demand, notice of dishonor, protest and notice of protest with respect thereto, Debtor will remain liable thereon until such instrument is paid in full. All original counterparts of any Chattel Paper (including, without limitation, the Leases, to the extent that the same constitutes Chattel Paper) evidencing leases of Equipment having a Fair Market Value of less than $500,000, shall either be (a) delivered to Secured Party and retained in its possession, or (b) conspicuously marked to indicate that such Chattel Paper is subject to the security interests granted to Secured Party in this Agreement. All original counterparts of any Chattel Paper evidencing leases of Equipment having a Fair Market Value of $500,000 or more shall be delivered to the Secured Party and retained in its possession.

Section 4.05 Sale, Disposition or Encumbrance of Collateral. Except as permitted by Section 4.10 or the Note Agreement, Debtor will not in any way encumber any of the Collateral (or permit or suffer any of the Collateral to be encumbered) or sell, assign, lend, rent, lease or otherwise dispose of or transfer any of the Collateral to or in favor of any Person other than Secured Party.

Section 4.06 Proceeds of Collateral. Except as permitted by Sections 4.04, 4.10 and 4.11 hereof and by the Note Agreement, Debtor will deliver to Secured Party promptly upon receipt all proceeds delivered to Debtor from the sale or disposition of any Collateral. If chattel paper, documents or instruments are received as proceeds, which are required to be delivered to Secured Party, they will be, immediately upon receipt, properly endorsed or assigned and delivered to Secured Party as Collateral. This Section 4.06 shall not be construed to permit sales or dispositions of Collateral except as may be elsewhere expressly permitted by this Agreement or the Note Agreement.

Section 4.07 Records and Information. Debtor shall keep accurate and complete records of the Collateral (including proceeds). These records shall reflect complete and

accurate stock records of the Inventory and all facts concerning each Account. Secured Party may at any time have access to, examine, audit, make extracts from and inspect without hindrance or delay Debtor's records, files and the Collateral at the Debtor's expense. Debtor will promptly provide written notice to Secured Party of all information which in any way relates to or affects the filing of any financing statement or other public notices or recordings, or the delivery and possession of items of Collateral for the purpose of perfecting a security interest in the Collateral. Debtor will also promptly furnish such information as Secured Party may from time to time reasonably request regarding (i) the business, affairs or financial condition of Debtor or (ii) the Collateral or Secured Party's rights or remedies with respect thereto.

Section 4.08 Reimbursement of Expenses. Debtor hereby assumes all liability for the Collateral, the security interests created hereunder and any use, possession, maintenance, management, enforcement or collection of any or all of the Collateral. Debtor agrees to indemnify and hold Secured Party and the Lenders harmless from and against and covenants to defend Secured Party and the Lenders against any and all losses, damages, claims, costs, penalties, liabilities and expenses, including, without limitation, court costs and attorneys' fees, incurred because of, incident to, or with respect to the Collateral (including, without limitation, consequential damages, any use, possession, maintenance or management thereof, or any injuries to or deaths of persons or damage to property). THE FOREGOING INDEMNITY SHALL COVER LOSSES, LIABILITIES OR EXPENSES RESULTING FROM THE ORDINARY NEGLIGENCE OF THE SECURED PARTY AND THE LENDERS, WHETHER SOLE, JOINT, CONTRIBUTORY OR CONCURRENT. All amounts for which Debtor is liable pursuant to this Section 4.08 shall be due and payable by Debtor to Secured Party upon demand. If Debtor fails to make such payment upon demand (or if demand is not made due to an injunction or stay arising from bankruptcy or other proceedings) and Secured Party or any Lender pays such amount, the same shall be due and payable by Debtor to Secured Party, plus interest thereon from the date of Secured Party's demand (or from the date of Secured Party's payment if demand is not made due to such proceedings) at the interest rate then applicable to the Series A Senior Secured Notes pursuant to the provisions of the Note Agreement.

Section 4.09 Further Assurances. Debtor shall take all steps necessary or appropriate to maintain a first priority perfected security interest in the Collateral, except as may be provided in the Note Agreement. In addition, upon the request of Secured Party, Debtor shall (at Debtor's expense) execute and deliver all such assignments, certificates, financing statements or other documents and give further assurances and do all other acts and things as Secured Party may reasonably request to perfect Secured Party's interest in the Collateral or to protect, enforce or otherwise effect Secured Party's rights and remedies hereunder. Without limiting the generality of the foregoing, Debtor shall: (a) ensure that each certificate of title covering any of the Equipment, and each registration without certification of title covering any Equipment, identifies the Secured Party as "lien holder", "legal owner", or as otherwise appropriate to perfect the security interest created hereby, and promptly deliver the original of such certificate of title to the Secured Party, (b) file an executed counterpart of this Agreement with the Interstate Commerce Commission in order

to perfect the Secured Party's Lien on rolling stock forming part of the Collateral under the provisions of 49 U.S.C.A. Section 11303 (1979) (formerly Section 20c of the Interstate Commerce Act), and (c) execute and file such financing or continuation statements, or amendments thereto, and such other instruments or notices, and make such recordings and filings, as may be necessary or desirable, or as Secured Party may request, in order to perfect and preserve the Lien granted or purported to be granted hereby, including, without limitation, execution and filing of such instruments and recordings as may be necessary under federal law relating to the creation and perfection of a security interest in any Equipment.

Section 4.10 Equipment. Until an Event of Default occurs hereunder, Debtor may use the Equipment in any lawful manner not inconsistent with this Agreement and with the terms of insurance thereon and may sell, lease or otherwise dispose of its Equipment for cash or terms in the ordinary course of business, and Debtor may retain the proceeds of such sales, leases or other dispositions (subject to Section 4.04 and subsection 4.11(a)); provided, however, the Equipment shall remain in Debtor's possession and control at all times prior to sale, lease or other disposition at the location(s) specified in Section 1.03. Debtor shall bear any risk of loss of the Equipment. Debtor shall not use any item of Equipment in a manner inconsistent with the holding thereof for sale, lease or other disposition in the ordinary course of business or in contravention of the terms of any agreement. A sale, lease or disposition in the ordinary course of business does not include the exchange of Equipment for services or goods in kind or transfers of Equipment for the satisfaction of obligations to suppliers or other indebtedness. Upon an Event of Default, Debtor will not sell, lease or otherwise dispose of any of the Equipment without the prior written consent of Secured Party, and Debtor shall immediately deliver to Secured Party any checks, cash or other forms of payment which Debtor receives in connection with any Equipment, appropriately endorsed.

Section 4.11 Accounts.

(a) Collections of the Accounts shall be deposited into trust account maintained at First Union Bank of North Carolina, as trustee for the benefit of the Secured Party and certain other Persons.

(b) Debtor will not modify, extend or substitute any contract, the terms of which shall at any time have given rise to an Account, except in the ordinary course of business or with the prior written consent of Secured Party. Debtor will not re-date any invoice or sale or make sales with an extended payment date beyond that customary in the industry, and in no event longer than 90 days. Debtor shall not adjust, settle, discount or compromise any of the Accounts, except in the ordinary course of business or with the prior written consent of Secured Party.

(c) Debtor will duly perform or cause to be performed all of Debtor's obligations with respect to the Accounts and the underlying sales of goods or other transactions giving rise to the Accounts.

Section 4.12 Condition of Equipment, etc. Debtor shall:

(a) Cause each lessee to maintain and preserve the Equipment subject to a Lease strictly in accordance with the terms and provisions thereof and otherwise perform in a timely manner all obligations of the lessee thereunder. Without limitation of the foregoing, Debtor shall cause the Equipment to be maintained and preserved, by the lessee or otherwise, in the same condition, repair and working order as when delivered to the lessee, ordinary wear and tear excepted, and in accordance with any manufacturer's manual and shall forthwith, or in the case of any loss or damage to any of the Equipment as quickly as practicable after the occurrence thereof, make or cause to be made, by the lessee or otherwise, all repairs, replacements and other improvements in connection therewith that are necessary or desirable to such end.

(b) Pay promptly when due, or cause to be so paid in accordance with the Leases, all taxes, assessments, and other charges imposed upon or in respect of the Equipment or this Agreement and all claims, including claims for labor, materials and supplies, against the Equipment.

(c) Perform in a timely manner all obligations of Debtor under the Leases.

(d) Mark each car of rolling stock forming part of the Collateral appropriately to show Debtor's ownership and with its assigned reporting mark and number in accordance with the rules and regulations of the American Association of Railroads, and maintain and cause such rolling stock to be always so marked while this Agreement remains in effect and not cause or allow such rolling stock to be renumbered or to be marked so as to indicate (i) ownership in any other party, or (ii) except as permitted by Subsections 6.17(a), (b), (c), and (e) of the Note Agreement, a Lien thereon allegedly held by any party other than Secured Party, for the benefit of the Lenders.

(e) At the request of Secured Party, at Debtor's own cost and expense, cause each item of the Equipment (if not prevented by applicable law or regulations or governmental authority, and if it will not adversely affect the proper use thereof) to be legibly marked in a reasonably prominent location with such a plate, disk or other marking of customary size, and bearing such a legend, as shall be appropriate or desirable to evidence the fact that it is subject to the Lien of the Secured Party hereunder. Debtor shall not remove or deface, or permit to be removed or defaced, any such plate, disk, or other marking or the identifying manufacturer's serial number, and, in the event of such removal, defacement or other disappearance thereof, Debtor shall promptly cause such plate, disk or other marking or serial number to be promptly replaced.

(f) If any trailer or rolling stock forming part of the Collateral is used in, leased in, or permitted to be used in Canada (or any province or territory thereof) or in Mexico (or in any state or Federal District thereof), take all necessary action to protect the right, title and interest of the Secured Party in the Collateral and furnish the Secured Party with an opinion of Canadian or Mexican counsel, as the case may be, acceptable to the Required

Noteholders to the effect that the action taken by Debtor is all that is necessary to protect the right, title, and interest of the Secured Party in such Equipment.

Section 4.13 Collateral Attached to Other Property. In the event that the Collateral is to be attached or affixed to any real property, Debtor hereby agrees that this Agreement may be filed for record in any appropriate real estate records as a financing statement which is a fixture filing. In connection therewith, Debtor will take whatever action is required by Section 4.09. If Debtor is not the record owner of such real property, Debtor will provide Secured Party with any additional security agreements or financing statements necessary for the perfection of Secured Party's security interest in the Collateral. If the Collateral is wholly or partly affixed to real estate or installed in or affixed to other goods, Debtor will furnish Secured Party with a disclaimer (including landlord's or other lien waivers or releases, if applicable), signed by all Persons or entities having an interest in the real estate or other goods to which the Collateral may have become affixed, of any prior interest to Secured Party's interest in the Collateral.

Section 4.14 Collateral Separate and Distinct. Debtor shall at all times keep the Collateral, including proceeds, or cause it to be kept (when in the possession of warehousemen, bailees, agents, independent contractors or other third parties), separate and distinct from other property.

Section 4.15 Insurance.

(a) Debtor shall cause each lessee under a Lease to maintain insurance on the Equipment subject thereto.

(b) Without limitation of the foregoing, Debtor shall at its own expense maintain such additional insurance with respect to the Equipment, with financially sound and reputable insurers (excluding in any event, except in the case of marine vessel insurance that is at least 95% reinsured, Transportation Equipment Indemnity Company, Ltd. and all other Affiliates of Debtor) in amounts, with such deductibles, and against such risks as are customary carried in lines of business similar to that of Debtor including but not limited to physical damage, public liability and third party property damage in amounts satisfactory to Required Noteholders (subject to commercial reasonableness as to each type of insurance).

(c) Each policy of insurance for the Equipment obtained in accordance with the Subsection 4.15(a) and all policies of insurance obtained in accordance with Subsection 4.15(b) shall: (i) for liability insurances, name Secured Party and the Lenders as additional insureds; (ii) for physical damage insurance, provide that the Secured Party for the benefit of the Lenders be loss payee in the event of actual, constructive or agreed total loss; (iii) for physical damage and liability insurances, provide that there shall be no recourse against the Secured Party or any Lender for payment of premiums or other amounts with respect thereto; provide that any loss thereunder shall be payable to the Secured Party as set forth herein notwithstanding any action, inaction or breach of representation or warranty by Debtor or any lessee under the Leases, including, without

limitation, improper or illegal operation of the Equipment (to the extent as is usual and customary insurance industry practice); waive any rights of subrogation and any rights of setoff, counterclaim or deduction against each insured; and provide that at least thirty (30) days' prior written notice of cancellation, change, nonrenewal, expiration or lapse shall be given to the Secured Party by the insurer. Evidence of the foregoing provisions shall be provided in the form of certificates of insurance, certificates of entry or written confirmation by established and reputable insurance brokers.

(i) Upon the occurrence and during the continuance of any Event of Default or (ii) upon the actual or constructive total loss of any Equipment, all insurance payments in respect of such Equipment shall be paid to and applied by the Secured Party as specified in Subsection 6.02(d) except, with respect only to clause (ii), insofar as the Lease covering such Equipment provides for the insurance payments to be paid to the lessee for purposes of repairing the Equipment.

Section 4.16 Leases.

(a) Debtor shall keep its principal place of business and chief executive office and the office where it keeps its records and files concerning the Leases (including its copies of the Leases, if not in the possession of the Secured Party) and the Equipment and other Collateral, other than railcars and other rolling stock included in the Collateral, at the location specified in Section 1.03 hereof.

(b) Except as otherwise provided in this Subsection 4.16(b), Debtor shall continue to collect, at its own expense, all amounts due or to become due Debtor under the Leases. In connection with such collections, Debtor may take, and, after the occurrence and during the continuance of an Event of Default, at the Secured Party's direction, or at the direction or with the consent of the Required Noteholders, shall take, such action as Debtor or the Secured Party may deem necessary or advisable to enforce collection of the Leases. If an Event of Default shall have occurred and be continuing, the Secured Party will have the right at any time at the direction or with the consent of the Required Noteholders (i) to direct the lessees under the Leases to make payment of all amounts due or to become due thereunder directly to the Secured Party and, upon such direction of the Secured Party and at the expense of the Debtor, to enforce collection of any of the Leases in the same manner and to the same extent as Debtor might have done and (ii) to require that all amounts received by Debtor in respect of the Leases be received in trust for the benefit of the Secured Party and the Lenders hereunder and be segregated from other funds of Debtor. Any amounts so segregated shall, at the Secured Party's request, be forthwith paid over to the Secured Party to be held as cash collateral pursuant to that certain Cash Collateral Agreement (First Union) entered into of even date herewith between Debtor and Secured Party. If the Secured Party notifies Debtor of the Secured Party's intention to direct lessees to make Lease payments directly to the Secured Party or to require Debtor to segregate and hold such payments in trust, without limiting in any way the Secured Party's rights hereunder to act in the absence of such agreements, Debtor shall enter into written

agreements satisfactory to the Secured Party and the Required Noteholders to implement such intention.

(c) After the occurrence and during the continuance of an Event of Default, Debtor shall accept no prepayment from any lessee of amounts due under any of the Leases without obtaining the prior written consent of the Required Noteholders, except such amounts as are required under any Lease to be paid in advance (including, without limitation, a security deposit or a maintenance reserve account).

(d) In the event that the Debtor executes a new Lease regarding Equipment constituting railroad cars, the Debtor shall file a true and correct copy of such new Lease with the Interstate Commerce Commission.

ARTICLE 5

RIGHTS, DUTIES AND POWERS OF SECURED PARTY

The following rights, duties and powers of Secured Party are, except as otherwise noted, applicable irrespective of whether an Event of Default occurs and is continuing:

Section 5.01 Discharge Encumbrances. After the occurrence and during the continuance of an Event of Default, Secured Party may, but shall not be obligated to, discharge any taxes, liens, security interests or other encumbrances at any time levied or placed on the Collateral, pay for insurance on the Collateral and pay for the maintenance and preservation of the Collateral. Debtor agrees to reimburse Secured Party upon demand for any payment so made, plus interest thereon from the date of Secured Party's demand at the interest rate then applicable to the Series A Senior Secured Notes pursuant to the provisions of the Note Agreement.

Section 5.02 Transfer of Collateral. Any Lender may transfer any or all of the Obligations as provided in the Note Agreement, and upon any such transfer such Lender may transfer its interest in any or all of the Collateral and shall be fully discharged thereafter from all liability therefor (except for any indemnities provided by such Lenders to the Secured Party).

Section 5.03 Licenses and Rights to Use Collateral. In connection with any transfer or sale (to Secured Party or any other Person) of the Collateral, Secured Party is hereby granted a transferable license or other right to use, without any charge, any of Debtor's labels, patents, copyrights, trade names, trade secrets, trademarks or other similar property in completing production, advertising or selling such Collateral. Debtor's rights under all licenses and franchise agreements shall inure to the benefit of Secured Party and any transferee of all or any part of the Collateral.

Section 5.04 Cumulative and Other Rights. The rights, powers and remedies of Secured Party hereunder are in addition to all rights, powers and remedies given by law or

in equity. The exercise by Secured Party of any one or more of the rights, powers and remedies herein shall not be construed as a waiver of any other rights, powers and remedies, including, without limitation, any other rights of set-off. If any of the Obligations are given in renewal, extension for any period or rearrangement, or applied toward the payment of debt secured by any lien, Secured Party shall be, and is hereby, subrogated to all the rights, titles, interests and liens securing the debt so renewed, extended, rearranged or paid.

Section 5.05 Disclaimer of Certain Duties. The powers conferred upon Secured Party by this Agreement are to protect its interest in the Collateral and shall not impose any duty upon Secured Party or any Lender to exercise any such powers. Debtor hereby agrees that Secured Party shall not be liable for, nor shall the indebtedness evidenced by the Obligations be diminished by, Secured Party's delay or failure to collect upon, foreclose, sell, take possession of or otherwise obtain value for the Collateral.

Section 5.06 Certificate of Title Agent. Notwithstanding anything to the contrary contained herein, the Certificate of Title Agent shall, pursuant to the provisions of the Certificate of Title Agency Agreement, hold the original certificates of title for the Titled Equipment for the benefit of the Lenders and be named as first lienholder on such certificates of title and other documents related thereto, for the benefit of the Lenders.

ARTICLE 6

EVENTS OF DEFAULT

Section 6.01 Events. It shall constitute an Event of Default under this Agreement if an Event of Default occurs and is continuing under the Note Agreement.

Section 6.02 Remedies. Upon the occurrence and during the continuance of any Event of Default, Secured Party may take any or all of the following actions without notice (except where expressly required below or in the Note Agreement) or demand to Debtor:

(a) Take possession of the Collateral, or at Secured Party's request Debtor shall, at Debtor's cost, assemble the Collateral and make it available at a location to be specified by Secured Party which is reasonably convenient to Debtor and Secured Party. In any event, Debtor shall bear the risk of accidental loss or damage to or diminution in value of the Collateral, and neither Secured Party nor any Lender will have any liability whatsoever for failure to obtain or maintain insurance, nor to determine whether any insurance ever in force is adequate as to amount or as to risk insured.

(b) Sell or lease, in one or more sales or leases and in one or more parcels, or otherwise dispose of any or all of the Collateral in its then condition or in any other commercially reasonable manner as Secured Party may elect, in a public or private transaction, at any location as deemed reasonable by Secured Party

(d) Apply proceeds of the disposition of the Collateral to the Obligations in any manner elected by Secured Party and permitted by the Code or otherwise permitted by law or in equity. Such application may include, without limitation, the reasonable expenses of retaking, holding, preparing for sale or other disposition, and the reasonable attorneys' fees and legal expenses incurred by Secured Party and the Lenders.

(e) Appoint any Person as agent to perform any act or acts necessary or incident to any sale or transfer by Secured Party of the Collateral. Additionally, any sale or transfer hereunder may be conducted by an auctioneer or any officer or agent of Secured Party.

(f) Receive, change the address for delivery, open and dispose of mail addressed to Debtor, and execute, assign and endorse negotiable and other instruments for the payment of money, documents of title or other evidences of payment, shipment or storage for any form of Collateral on behalf of and in the name of Debtor.

(g) Notify or require Debtor to notify Account Debtors that the Accounts have been assigned to Secured Party and direct such Account Debtors to make payments on the Accounts directly to Secured Party. To the extent Secured Party does not so elect, Debtor shall continue to collect the Accounts. Secured Party or its designee shall also have the right, in its own name or in the name of Debtor, to do any of the following: (i) to demand, collect, receipt for, settle, compromise any amounts due, give acquittances for, prosecute or defend any action which may be in relation to any monies due or to become due by virtue of, the Accounts; (ii) to sell, transfer or assign or otherwise deal in the Accounts or the proceeds thereof or the related goods, as fully and effectively as if Secured Party were the absolute owner thereof; (iii) to extend the time of payment of any of the Accounts, to grant waivers and make any allowance or other adjustment with reference thereto; (iv) to endorse the name of Debtor on notes, checks or other evidences of payments on Collateral that may come into possession of Secured Party; (v) to take control of cash and other proceeds of any Collateral; (vi) to sign the name of Debtor on any invoice or bill of lading relating to any Collateral, or any drafts against Account Debtors or other persons making payment with respect to Collateral; (vii) to send a request for verification of Accounts to any Account Debtor; and (viii) to do all other acts and things necessary to carry out the intent of this Agreement.

Notwithstanding anything to the contrary contained herein, the Secured Party and the Lenders agree not to interfere with a lessee's quiet enjoyment of Equipment under a Lease, so long, but only so long, as no event of default or termination, and no event that with the giving of notice or lapse of time, or both, would constitute such an event, has occurred under the Lease.

Section 6.03 Attorney-in-Fact. Debtor hereby irrevocably appoints Secured Party as Debtor's attorney-in-fact, with full authority in the place and stead of Debtor and in the name of Debtor or otherwise, from time to time in Secured Party's discretion upon the occurrence and during the continuance of an Event of Default, but at Debtor's cost and expense and without notice to Debtor:

(a) To obtain, adjust, sell and cancel any insurance with respect to the Collateral, and endorse any draft drawn by insurers of the Collateral. Secured Party may apply any proceeds or unearned premiums of such insurance to the Obligations (whether or not due).

(b) To take any action and to execute any assignment, certificate, financing statement, notification, document or instrument which Secured Party may deem necessary or advisable to accomplish the purposes of this Agreement, including, without limitation, to receive, endorse and collect all instruments made payable to Debtor representing any payment or other distribution in respect of the Collateral or any part thereof and to give full discharge for the same.

Section 6.04 Account Debtors. Any payment or settlement of an Account made by an Account Debtor will be, to the extent of such payment or to the extent provided under such settlement, a release, discharge and acquittance of the Account Debtor with respect to such Account, and Debtor shall take any action as may be required by Secured Party in connection therewith. No Account Debtor on any Account will ever be bound to make inquiry as to the termination of this Agreement or the rights of Secured Party to act hereunder, but shall be fully protected by Debtor in making payment directly to Secured Party.

Section 6.05 Liability for Deficiency. If any sale or other disposition of Collateral by Secured Party or any other action of Secured Party or any Lender hereunder results in reduction of the Obligations, such action will not release Debtor from its liability to Secured Party and the Lenders for any unpaid Obligations, including costs, charges and expenses incurred in the liquidation of Collateral, together with interest thereon, and the same shall be immediately due and payable to Secured Party at Secured Party's address set forth in Section 7.01 below.

Section 6.06 Reasonable Notice. If any applicable provision of any law requires Secured Party or any Lender to give reasonable notice of any sale or disposition or other action, Debtor hereby agrees that ten days' prior written notice shall constitute reasonable notice thereof. Such notice, in the case of public sale, shall state the time and place fixed for such sale and, in the case of private sale, the time after which such sale is to be made.

Section 6.07 Non-judicial Enforcement. Secured Party may enforce its rights hereunder without prior judicial process or judicial hearing, and to the extent permitted by law Debtor expressly waives any and all legal rights which might otherwise require Secured Party to enforce its rights with respect to the Collateral by judicial process.

Party may remedy any Event of Default hereunder or in connection with the Obligations without waiving the Event of Default so remedied. Debtor hereby agrees that if Secured Party agrees to a waiver of any provision hereunder, or an exchange of or release of the Collateral, or the addition or release of any Obligor or other Person, any such action shall not constitute a waiver of any of Secured Party's other rights or of Debtor's obligations hereunder. This Agreement may be amended only by an instrument in writing executed jointly by Debtor and Secured Party and may be supplemented only by documents delivered or to be delivered in accordance with the express terms hereof.

Section 7.03 Copy as Financing Statement. A photocopy or other reproduction of this Agreement or any financing statement covering the Collateral is sufficient as a financing statement, and the same may be filed with any appropriate filing authority for the purpose of perfecting Secured Party's security interest in the Collateral.

Section 7.04 Possession of Collateral. Secured Party shall be deemed to have possession of any Collateral in transit to it or set apart for it (or, in either case, any of its agents, affiliates or correspondents).

Section 7.05 Redelivery of Collateral. If any sale or transfer of Collateral by Secured Party results in full satisfaction of the Obligations, and after such sale or transfer and discharge there remains a surplus of proceeds, Secured Party will deliver to Debtor such excess proceeds within thirty (30) days after the completion of such sale, transfer or discharge; provided, however, that neither Secured Party nor any Lender shall have any liability for any interest, cost or expense in connection with any delay in delivering such proceeds to Debtor.

Section 7.06 Governing Law; Jurisdiction. This Agreement and the security interest granted hereby shall be construed in accordance with and governed by the laws of the State of Texas (except to the extent that the laws of any other jurisdiction govern the perfection and priority of the security interests granted hereby).

Section 7.07 Continuing Security Agreement.

(a) Except as may be expressly applicable pursuant to Section 9.505 of the Code, no action taken or omission to act by Secured Party or the Lenders hereunder, including, without limitation, any action taken or inaction pursuant to Section 6.02, shall be deemed to constitute a retention of the Collateral in satisfaction of the Obligations or otherwise to be in full satisfaction of the Obligations, and the Obligations shall remain in full force and effect, until Secured Party and the Lenders shall have applied payments (including, without limitation, collections from Collateral) towards the Obligations in the full amount then outstanding or until such subsequent time as is hereinafter provided in subsection (b) below.

(b) To the extent that any payments on the Obligations or proceeds of the Collateral are subsequently invalidated, declared to be fraudulent or preferential, set aside or required to be repaid to a trustee, debtor in possession, receiver or other Person under

any bankruptcy law, common law or equitable cause, then to such extent the Obligations so satisfied shall be revived and continue as if such payment or proceeds had not been received by Secured Party or the Lenders, and Secured Party's and the Lenders' security interests, rights, powers and remedies hereunder shall continue in full force and effect. In such event, this Agreement shall be automatically reinstated if it shall theretofore have been terminated pursuant to Section 7.08.

Section 7.08 Termination. The grant of a security interest hereunder and all of Secured Party's and the Lenders' rights, powers and remedies in connection therewith shall remain in full force and effect until Secured Party has retransferred and delivered all Collateral in its possession to Debtor, and executed a written release or termination statement and reassigned to Debtor without recourse or warranty any remaining Collateral and all rights conveyed hereby. Upon the complete payment of the Obligations and the compliance by Debtor with all covenants and agreements hereof, Secured Party, at the written request and expense of Debtor, will release, reassign and transfer the Collateral to Debtor and declare this Agreement to be of no further force or effect. Notwithstanding the foregoing, the reimbursement and indemnification provisions of Section 4.08 and the provisions of subsection 7.07(b) shall survive the termination of this Agreement.

Section 7.09 Counterparts, Effectiveness. This Agreement may be executed in two or more counterparts. Each counterpart is deemed an original, but all such counterparts taken together constitute one and the same instrument. This Agreement becomes effective upon the execution hereof by Debtor and delivery of the same to Secured Party or the Lenders, and it is not necessary for Secured Party or any Lender to execute any acceptance hereof or otherwise signify or express its acceptance hereof.

LEASE AGREEMENT FOR RAILROAD CARS

This Lease Agreement dated as of the 16th day of December, 1986 (the "Agreement"), by and between PLM Investment Management, Inc. ("IMI"), a California corporation, and Greenbrier Leasing Corporation, a Delaware corporation ("Lessee").

IDENTITY OF LESSOR

IMI is entering into this Agreement for its own account and/or as agent for, and to the extent of, the principals who may own the railroad cars which are to be leased hereunder to Lessee and which cars are described more particularly in the attached Exhibit A (such railroad cars being hereinafter collectively referred to as the "cars" and separately as a "car"). The principals, if any, will, as of the date the cars are delivered hereunder, have entered into management agreements (the "management agreements") with IMI, which authorize IMI to enter into leases on their behalf. (A copy of the form of such management agreements will be made available to Lessee upon request.) IMI and such principals are collectively referred to as "Lessor." Lessor shall, from time to time, provide Lessee with the name of the principals, if any, who own the cars. Once IMI has identified the principals who own the cars to Lessee, IMI shall be released from any obligation under this lease except as agent for such principals.

Accordingly, it is agreed as follows:

Article 1: Lease

Lessor shall furnish and lease to Lessee, and Lessee shall accept, and use, the cars on the terms and conditions set forth herein and in the exhibits attached hereto.

Article 2: Term

The term of this Agreement with respect to each car shall commence upon the delivery of such car to Lessee in the manner set forth in Article 3 and, except as otherwise provided herein, shall terminate on the earlier of the date Lessor is notified of the loss or destruction of such car or, with respect to all cars leased hereunder, at the end of the number of months set forth in Exhibit B from the first day of the calendar month immediately following the month in which the first of the cars leased hereunder is delivered to Lessee; provided, however, that without limiting any other rights Lessor may have against Lessee, if Lessee is responsible for such loss or destruction of a car under Section 9.4, this Agreement with respect to such car shall continue until Lessee pays to Lessor the Stipulated Loss Value of such car as determined immediately prior to such loss or destruction. Notwithstanding the expiration or termination of this Agreement, the obligations of the Lessee hereunder shall continue in effect with respect to

each car until each such car is returned to the possession of Lessor in accordance with Article 14 or settlement is made for such car in accordance with Section 9.4.

Article 3: Delivery

3.1 Date of Delivery

Lessor shall deliver or cause the cars to be delivered to Lessee during the anticipated delivery period set forth in Exhibit B. The obligation of Lessor to deliver the cars in total or in part, shall be excused, and Lessor shall not be liable, for any causes beyond the reasonable control of Lessor (including, but not limited to, delays caused by fire, labor difficulties, delays of carriers and materialmen, governmental authority, or late delivery by the manufacturer of the cars) and, in the event of a delay in such delivery, Lessor shall deliver the cars to Lessee as soon as reasonably possible thereafter.

3.2 Place of Delivery

Lessor shall cause the cars to be delivered to Lessee at the location(s) set forth in Exhibit B.

3.3 Cost of Delivery

All transportation charges related to the delivery of the cars to the location(s) set forth in Exhibit B shall be borne by the party indicated in Exhibit B.

Article 4: Acceptance of Cars

Lessee may elect to inspect each car to determine if it (i) complies with the description set forth in Exhibit A and (ii) is fit and suitable for operation as those terms are defined in the Field Manual and the Office Manual of the Interchange Rules (the "Interchange Rules") adopted by the Association of American Railroads ("AAR"). Upon such inspection, Lessee shall, if such car complies with the requirements of the preceding sentence, deliver to Lessor a Certificate of Acceptance in the form attached as Exhibit C. Lessee shall not reject delivery of any car delivered hereunder if, with respect to such car, Lessee shall (i) load, or otherwise use the car, or (ii) fail to notify Lessor, immediately upon delivery, of Lessee's rejection of the car and the specific reasons why the car does not meet the applicable standards set forth in Exhibit A or the Interchange Rules. If Lessee rejects any car, Lessor shall have the right to have the rejected car inspected at Lessee's expense by an inspector acceptable to both Lessor and Lessee. Lessee shall be deemed to have accepted any car for which the inspector determines good cause for rejection did not exist. The decision of the inspector shall be final and binding upon the parties. Lessee's acceptance, however effected, shall be deemed effective as of, and the monthly rental shall accrue from, the date a car is delivered to Lessee.

Article 5: Markings

At the time of delivery of the cars by Lessor to Lessee, the cars will be plainly marked on each side with the identification marks selected by IMI and set forth in Exhibit A. If such markings shall at any time be removed or become illegible, wholly or in part, Lessee shall immediately cause such markings to be restored or replaced at Lessee's expense. Lessee shall not otherwise place, nor permit to be placed, any lettering or marking of any kind upon the cars without notifying Lessor.

Article 6: Payment of Rentals

6.1 Base Monthly Rentals

The base monthly rental with respect to each car shall be as set forth in Exhibit B, and, subject to Article 2, shall accrue from (and including) the date Lessee's acceptance of such car is deemed effective to (and excluding) the date such car is redelivered in accordance with Article 14. All rentals shall be payable without deduction, reduction, setoff or counterclaim of any kind, for any reason, whether or not related to this Agreement, to Lessor at the address set forth in Exhibit B, on or before the first day of each month during the term hereof; provided, however, that the base monthly rental for each car for the month in which it is delivered shall be prorated for the number of days (including the day of delivery) remaining in such month and shall be payable on or before the first day of the next succeeding calendar month. The amount by which base monthly rental payments for any month shall exceed the pro rata base monthly rental due for the cars leased to Lessee during such month shall be credited against the base monthly rental due pursuant to the rental invoice submitted to Lessee during the following month, or if all the cars have been redelivered by Lessee in accordance with Article 14 as of the end of such month and any amount due to Lessee exceeds any amount due from Lessee the following month, such excess shall be paid to Lessee during such following month. To the extent that a sublessee of Lessee is obligated to make monthly rental payments at least equal to the Base Monthly Rentals required to be made herein; is not in default thereunder; and the applicable sublease and payments due thereunder have been assigned to Lessor, Lessee shall not be required to pay Base Monthly Rentals.

6.2 Additional Usage Rental

Within 90 days of the end of each calendar month during the term of this Lease, Lessee shall report to Lessor the total mileage traveled by each car during that calendar month. Said report shall be accompanied by Lessee's payment of additional rent equal to $.08 per car per mile.

Article 7: Mileage Allowance

Collection

Any per diem or mileage allowances, rentals and/or other compensation payable by railroads by reason of the use of the cars (hereinafter referred to as "allowances") shall be collected by Lessor for the account of the party indicated in Exhibit B.

To the extent that Lessee shall be entitled to such allowances and to the extent such allowances shall be received by Lessor, Lessor shall do so as the agent (solely for that purpose) of Lessee, and such allowances shall be paid to Lessee within a reasonable time.

Article 8: Title and Usage

8.1 Title to the Cars

Lessee acknowledges and agrees that by the execution of this Agreement it does not obtain, and by payments and performance hereunder, it does not, and will not, have or obtain any title to the cars or any property right or interest therein, legal or equitable, except solely as Lessee hereunder and subject to all of the terms hereof. Lessee shall keep the cars free from any liens or encumbrances created by or through Lessee.

8.2 Usage of the Cars

Lessee will use the cars for the purpose set forth in Exhibit A and will not use the cars for any other purpose without the written approval of Lessor. Lessee agrees not to load any of the cars in excess of the load limit stencilled thereon or the limit, if any, set forth in Exhibit A; and, except with respect to the repair of cars, Lessee shall not cut or weld any part of car or cars without the prior written consent of Lessor.

8.3 Tax Indemnity

Lessee hereby acknowledges that IMI (or the principal(s) for whom IMI acts as agent) have claimed or will claim with respect to the cars the investment tax credit allowable pursuant to Section 38 of the Internal Revenue Code of 1954, as amended (the "Code"), for "Section 38 property" as defined in Section 48(b) of the Code and the deduction under the Accelerated Cost Recovery System on the cars under the Code based upon the recovery method (collectively, the "Tax Benefits"). Lessee shall not permit the cars to be used by any organization described in Section 48(a)(4) of the Code or by a governmental unit described in Section 48(a)(5) of the Code. Lessee further acknowledges that the Tax Benefits with respect to the cars would not be allowable in the taxable year claimed, or the Tax Benefits previously claimed with respect to the cars would be recaptured, if the cars were to be used predominantly outside the United States within the meaning of Section 48(a)(2)(A) of the Code and therefore agrees to use each car so that the Tax Benefits as

permitted by the Code (or any amendment thereof or successor legislation) may be claimed with respect to each car (and not be recaptured or disallowed), but in no event to use each car outside the boundaries of the continental United States unless permitted by Exhibit A, and if so permitted, for no more than the period allowable as set forth in Exhibit A.

Lessee shall be required to pay to Lessor (each principal, for this purpose, being treated as a separate Lessor) an amount which, after deduction of all taxes required to be paid by such Lessor in respect of all amounts payable by Lessee to Lessor hereunder, under the laws of any federal, state, or local government or taxing authority, shall be equal to all or such portion of the Tax Benefits disallowed or recaptured by or from Lessor as a direct or indirect result of Lessee's violation of this Section.

8.4 Lessee's Right to Transfer or Assign

Lessee shall not transfer or assign the cars or its interest and obligations hereunder except a transfer in interchange under the Interchange Rules, nor shall a transfer or assignment by operation of law or otherwise of Lessee's interest in the cars or this Agreement be effective against Lessor, without Lessor's prior written consent, which consent shall not be unreasonably withheld; provided that no sublessee shall be permitted to use any of the cars outside the United States so as to cause the loss or recapture of the Investment Tax Credit for the cars for United States federal income tax purposes, nor shall any sublessee be an organization described in Section 48(a)(4) of the Internal Revenue Code (subject to the exceptions contained therein) or a governmental unit described in Section 48(a)(5) of the Internal Revenue Code unless Lessee agrees, in writing, to indemnify Lessor for any such loss of tax benefits in a form reasonably satisfactory to Lessor. No transfer or assignment of this Agreement, or of the cars, shall relieve Lessee from any of its obligations to Lessor hereunder. Any sublease permitted under this Section 8.4 shall include an acknowledgement of the interest of Lessor's mortgagee (if any) in the cars.

Article 9: Maintenance and Repairs

9.1 Maintenance Responsibility

Except as otherwise provided in Exhibit B to this Agreement, Lessee shall, at its expense, perform or arrange and pay for the performance of maintenance and repair services on the cars.

9.2 Repairs to Cars Unfit for Service

Lessee shall promptly notify Lessor if a car becomes unfit for service for any reason other than the loss or destruction of such car and Lessee, at its expense, shall promptly deliver the cars to an AAR-approved shop; and Lessor, if responsible for such repairs, shall have a reasonable period of time to repair and return such car to service.

9.2.1 (Intentionally Omitted)

9.2.2 Lessee Responsibility

If this Agreement does not place responsibility for such repairs on Lessor, Lessee shall pay for the cost of such repairs. If Lessor is notified that a car needs repair and Lessor believes that this Agreement does not place responsibility for such repairs on Lessor, Lessor shall notify Lessee that such car needs repair and that such repair shall be at Lessee's expense. If Lessee does not advise Lessor within three (3) business days of receipt of notification by Lessor that it intends to inspect such car, Lessee shall pay for such repairs on demand. If Lessee indicates its intention to inspect such car, it shall have five (5) business days during which it may, at its expense, have such car inspected by an inspector acceptable to both Lessor and Lessee. The decision of the inspector as to responsibility for repairs shall be final and binding on both parties.

9.2.3 Railroad Responsibility

If Section 9.4 places responsibility on the railroad subscribing to the Interchange Rules for damage, rental charges for such car or cars shall abate from and after a period of five (5) days from the date Lessor receives notification that such car needs repair and until it is repaired and forwarded from the repair facility.

9.3 Alterations

Lessee shall not alter the physical structure of any of the cars without the prior written consent of Lessor.

9.4 Responsibility for Lost, Destroyed or Damaged Car

Lessee shall be responsible for and shall indemnify Lessor and hold Lessor harmless and does hereby release Lessor from (as provided in Article 10) the loss or destruction of, or damage to, the cars or any parts thereof, during the term; provided, however, Lessee shall not be responsible to the extent the then-prevailing Interchange Rules places responsibility upon a railroad subscribing to the Interchange Rules; and provided, further, that Lessee shall not be responsible if such loss, destruction or damage to the cars or parts thereof was caused by the sole active negligence or willful misconduct of Lessor.

Notwithstanding anything contained herein to the contrary, Lessee shall be responsible for and shall indemnify Lessor and hold Lessor harmless and does hereby release Lessor from (as provided in Article 10) the loss or destruction of, or damage to, a car or any part thereof during the term of this Agreement which shall (i) be occasioned by the misuse or negligence of Lessee, its consignee, agent or sublessee, (ii) occur while such car is on the tracks of Lessee or any private siding or track, or at the loading or unloading facility of Lessee or its consignee, agent or sublessee, or on the track of any

railroad that does not subscribe to the Interchange Rules or any private or industrial railroad or (iii) be caused by any commodity which may be transported or stored in or on such car.

Lessee shall notify Lessor of the loss or destruction of any of the cars within five (5) days of the date of notice to Lessee of such event. The amount of loss resulting from the loss or destruction of a car shall be measured by the Stipulated Loss Value set forth in item IX of Exhibit B as determined immediately prior to the time of such loss or destruction whatsoever, even though the same may have resulted from Lessor's concurrent negligence with Lessee or any third party, whether active or passive. In all cases to which this indemnity applies, Lessee's obligation shall be to indemnify Lessor for the full amount of the Claims involved, and principles of comparative negligence shall not apply.

Article 10: Indemnification by Lessee

10.1 Damages, Losses and Injuries Due to Operation of the Cars

Lessee shall defend (if such defense is tendered to Lessee), indemnify and hold Lessor harmless from and against and does hereby release Lessor from, all claims, suits, liabilities, losses, damages, costs and expenses, including attorney's fees, (collectively referred to as "Claims") in any way arising out of or resulting from the condition, storage, use, loss of use, operation of the cars, or any other cause.

Lessor and Lessee shall cooperate with and assist each other in any reasonable manner requested, but without affecting their respective obligations under this Article 10 or Article 9, to establish proper claims against parties responsible for the loss or destruction of, or damage to, the cars.

10.2 Losses to and Damages Caused by Commodities

Lessor shall not be liable for any loss of, or damage to, commodities, or any part thereof, loaded or shipped in the cars, however such loss or damages shall be caused, or shall result, and Lessee shall be responsible for, indemnify Lessor against and hold Lessor harmless and does hereby release Lessor from Claims therefor. In the event any of the cars or parts thereof, and removable parts, if any, shall become damaged by any commodity loaded therein, Lessee shall be responsible for such damage, and shall indemnify Lessor against and hold Lessor harmless from, any such Claims therefor according to the same terms of indemnification set forth in Section 10.1.

10.3 Loss of Use of Car

Notwithstanding any provision contained herein to the contrary, Lessor shall not be liable to Lessee for Claims which result from the loss of the use of the car for any reason whatsoever.

Article 11: Taxes and Other Charges

11.1 Lessee Responsibility

Except as otherwise hereinafter provided, Lessee shall pay and indemnify and hold Lessor harmless from all

(a) taxes including, without limitation, any taxes (withholding or otherwise), including personal property taxes imposed by the United States, Canada or Mexico, or any state or province thereof or any governmental or administrative subdivision thereof, and any sales and/or use taxes, gross receipts, franchise and single business taxes, and

(b) license fees, assessments, charges, fines, levies, imposts, duties, tariffs, customs, switching, and demurrage,

including penalties and interest thereon, levied or imposed by any foreign, federal, state or local government or taxing authority, railroad or other agency upon or with respect to the cars, or Lessor in connection with the cars or this lease.

11.2 Lessor Responsibility

Notwithstanding Section 11.1, Lessee shall not be responsible for and Lessor shall pay any tax imposed by the United States or any state or governmental subdivision thereof which is measured solely by Lessor's net income, unless such tax is in substitution for or releases Lessee from the payment of any taxes for which Lessee would otherwise be obligated under Section 11.1.

Article 12: Assignment, Transfers, Encumbrances

All rights of Lessor hereunder may be assigned, pledged, mortgaged, transferred or otherwise disposed of, either in whole or in part, and/or Lessor may assign, pledge, mortgage, transfer or otherwise dispose of title to the cars, with or without notice to Lessee. In such event, this Agreement and all rights of Lessee hereunder or those of any person, firm or corporation who claims or who may hereafter claim any rights in this Agreement under or through Lessee, are hereby made subject and subordinate to the terms, covenants and conditions of any chattel mortgage, conditional sale agreement, equipment trust agreement or other agreements or assignments covering the cars heretofore or hereafter created and entered into by Lessor, its successors or assigns, and to all of the rights of any such chattel mortgagee, assignee, trustee or other holder of legal title to or security interest in the cars; provided, however, that so long as Lessee is not in default hereunder Lessee shall be entitled to use the cars in accordance with the terms and conditions hereof. Any sublease or assignment of the cars permitted by this Agreement that is entered into by Lessee or its successors or assigns shall contain language which expressly makes such assignment or sublease subject to the subordination contained herein. At the request of Lessor or any chattel

mortgagee, assignee, trustee, or other holder of the legal title to or security interest in the cars, Lessee at Lessor's expense shall letter or mark the cars to identify the legal owner of the cars and, if applicable, place on each side of each car, in letters not less than one inch in height, the words "Ownership Subject to a Security Agreement Filed with the Interstate Commerce Commission" or other appropriate words reasonably requested. Lessee hereby agrees to execute an Estoppel Agreement in substantially the form attached hereto as Exhibit E.

Any transfer or assignment of, or grant of a security interest in, this Agreement or any interest herein shall be subject to any such transfer, assignment or grant of a security interest set forth in any previous filing with the Interstate Commerce Commission ("ICC").

Article 13: Default by Lessee

If Lessee defaults in the payment of any sum of money to be paid under this Agreement and such default continues for a period of fifteen (15) days; or if Lessee fails to perform any covenant or condition required to be performed by Lessee which failure shall not be remedied within ten (10) days after notice thereof from Lessor to Lessee; or if Lessee shall dissolve, make or commit any act of bankruptcy, or if any proceeding under any bankruptcy, or insolvency statute or any laws relating to relief of debtors is commenced by Lessee, or if any such proceeding is commenced against Lessee and same shall not have been removed within thirty (30) days of the date of the filing thereof, or if a receiver, trustee or liquidator is appointed for Lessee or for all or a substantial part of Lessee's assets with Lessee's consent, or if without Lessee's consent the same shall not have been removed within thirty (30) days of the date of the appointment thereof; or if an order, judgment or decree be entered by a court of competent jurisdiction and continue unpaid and in effect for any period of thirty (30) consecutive days without a stay of execution; or if a writ of attachment or execution is levied on any car and is not discharged within ten (10) days thereafter, Lessor may exercise one or more of the following remedies with respect to the cars:

(a) Immediately terminate this Agreement and Lessee's rights hereunder;

(b) Require Lessee to return the cars to Lessor at Lessee's expense, and if Lessee fails to so comply, Lessor may take possession of such car without demand or notice and without court order or legal process;

(c) Lease the cars to such persons, at such rental and for such period of time as Lessor shall elect. Lessor shall apply the proceeds from such leasing less all cost and expenses incurred in the recovery, repair, storage and renting of such cars, toward the payment of Lessee's obligations hereunder. Lessee shall remain liable for any deficiency, which, at Lessor's option, shall be paid monthly, as suffered, or immediately, or at the end of the term as damages for Lessee's default;

(d) Bring legal action to recover all rent or other amounts then accrued or thereafter accruing from Lessee to Lessor under any provision hereunder; or

(e) Pursue any other remedy which Lessor may have.

Each remedy is cumulative and may be enforced separately or concurrently. If Lessee fails to perform any of its obligations hereunder, Lessor, at Lessee's expense, and without waiving any rights it may have against Lessee for such nonperformance, may itself render such performance. Further, Lessee shall reimburse Lessor for all costs and expenses including reasonable attorney's fees expended by Lessor in the enforcement of its rights and remedies hereunder, and Lessee shall pay interest on any amount owing to Lessor from the time such amount becomes due hereunder at a rate per annum equal to the reference rate of the Bank of America NT&SA, such rate to be reduced, however, to the extent it exceeds the maximum rate permitted by applicable law. In addition, Lessee shall, without expense to Lessor, assist Lessor in repossessing the cars and shall, for a reasonable time if required, furnish suitable trackage space for the storage of the cars.

If applicable, Lessor shall be entitled to the remedies of a lessor under Section 1168 of the U.S. Bankruptcy Code.

Article 14: Delivery at End of Term

Lessee shall not redeliver the cars prior to the end of the term without the prior consent of Lessor. At the end of the term, Lessee, at its expense, shall deliver each car to Lessor, or to a subsequent lessee, at the point designated by Lessor (but not to exceed 500 miles from the location of the cars), empty, and in the same good order and clean condition as it was delivered by Lessor to Lessee, ordinary wear and tear and repairs that Lessor is required to make pursuant to Article 9 excepted. Lessee shall, on demand, reimburse Lessor for the expense which may be incurred to place a car in the condition described above.

If any car is not redelivered to Lessor or not delivered to a subsequent lessee on or before the date on which the term ends or in the event that a car so delivered is not in the condition required by this Article 14, Lessee shall pay rental for each day that each car is nbt delivered as required herein or until each car is delivered in the condition required, at the prorated monthly rental and additional rental set forth in Exhibit B. Lessee shall pay to Lessor on or before the last day of each month the amount Lessee is obligated to pay to Lessor for such month under this Article 14. In addition to any other indemnity provided herein and any payments to be made to Lessor hereunder, Lessee shall also indemnify and hold Lessor harmless from and against all Claims whatsoever, including those asserted by a subsequent lessee, arising out of, or as a result of, such late delivery or failure to deliver in the condition required.

Article 15: Warranties and Representations

LESSOR MAKES NO WARRANTIES OR REPRESENTATIONS, EXPRESS OR IMPLIED, AS TO THE CONDITION, MERCHANTABILITY, FITNESS FOR PARTICULAR PURPOSE OR ANY OTHER MATTER CONCERNING THE CARS. LESSEE HEREBY WAIVES ANY CLAIM IT MIGHT HAVE AGAINST LESSOR FOR ANY CLAIMS CAUSED BY THE CARS OR BY ANY DEFECT THEREIN. During the term of this Agreement and so long as Lessee renders faithful performance of its obligations, Lessor hereby assigns any factory or dealer warranty, whether express or implied, or other legal right Lessor may have against the manufacturer in connection with defects in the cars covered by this Agreement.

Article 16: Status of Lessee

Lessee represents and warrants that, as of the date of this Agreement:

(a) Lessee is a corporation duly incorporated, validly existing and in good standing under the laws of the state of its incorporation and is either duly qualified to do business and is in good standing in such other jurisdictions in which the business and activities of Lessee require such qualification or its failure to so qualify in such other jurisdiction will not have a material adverse impact on this Agreement.

(b) Lessee has full corporate power to enter into this Agreement.

(c) The Agreement had been duly authorized, executed and delivered by Lessee, and constitutes a valid, legal and binding agreement, enforceable in accordance with its terms.

(d) No approval is required by Lessee from any governmental or public body or authority with respect to the entering into or performance of this Agreement.

(e) The entering into and performance of this Agreement will not conflict with, or result in a breach of, the terms, conditions or provisions of (i) any law, or any regulation, order, injunction, permit, franchise or decree of any court or governmental instrumentality and (ii) any indenture, agreement or other instrument to which Lessee is party or by which it or any of its property is bound.

(f) Lessee is neither an organization described in Section 48(a)(4) nor a governmental unit described in Section 48(a)(5) of the Internal Revenue Code of 1954, as amended.

Article 17: Right of Inspection

Lessor or its assignee shall have the right, at any reasonable time, and without interfering with Lessee's operations, to inspect the cars, by its authorized representative, wherever they may be located, for the purpose of determining compliance by Lessee with its obligations hereunder. Lessee shall

use its best effort to obtain permission, if necessary, for Lessor or its authorized representative to enter upon any premises where the cars may be located.

Article 18: Reports and Notices

18.1 Car Movement

Annually, in writing, Lessee shall report to Lessor the mileage of the cars.

18.2 Notification of Damage or Injury

Lessee shall notify Lessor, within a reasonable period of time, of any accident or malfunction in connection with the operation of the cars, including in such report the time, place and nature of the accident, the damage caused to any property, the names and addresses of persons injured and of witnesses, and other such information as may be pertinent to Lessor's investigation of such accident.

18.3 Notification of Liens

Lessee shall notify Lessor within three (3) days after any attachment, lien (including any tax and mechanics' liens), or other judicial process attaches to the cars.

18.4 Report of Location

Within five (5) days after receipt of written demand from Lessor, Lessee shall give Lessor notice of the location of the cars to the best of its ability.

18.5 Addressing of Notices

All notices required or permitted hereunder shall be in writing and shall be deemed delivered upon actual receipt. Such notices shall be delivered to the respective parties hereto by personal delivery thereof or by telegram, telex, telecopier or deposit in the United States mail as certified or registered matter, return receipt requested, postage prepaid, and addressed to the respective parties as set forth in Exhibit B, unless otherwise advised in writing.

Article 19: Compliance With Laws

Lessee shall comply with all governmental laws, rules, regulations, requirements and the Interchange Rules (collectively referred to as the "Rules") with respect to the use and operation of the cars, and if the cars have any interior lading protective devices, special interior linings and items, if any, set forth on Exhibit A, or removable parts, the maintenance of such devices, linings or parts. Except as set forth in the preceding

sentence, Lessor shall comply with the Rules with respect to its obligation to maintain the cars under Article 9. Lessor shall further comply with the Rules in the event such Rules require a change or replacement of any equipment or appliance on the cars or in case any additional or other equipment or appliance is required to be installed on the cars (collectively referred to as "Alterations"). If such Alterations are required, Lessor shall have a reasonable period of time to make such Alterations and return such car to Lessee or replace such car with a substituted railroad car of the same type, capacity and condition. Lessee, at its expense, shall deliver the cars to such shop or shops and at such time or times as Lessor shall designate for the purpose of making any Alterations. Rental charges for such car or cars shall abate from and after a period of ten (10) days from the date when such car is so delivered by Lessee to Lessor until it is returned to service or replaced with another railroad car of the same type, capacity and condition. If a car is either altered or substituted in accordance with this Article 19, the rental rate for such a car for each month after such a car is altered or substituted with another railroad car of the same or substantially similar type, capacity and condition shall be determined in accordance with Exhibit B.

Article 20: Administration of Agreement

The parties hereto recognize and acknowledge that IMI may be acting under management agreements as agent for certain principals which shall be identified to Lessee by IMI from time to time. Such principals shall, from time to time, be set forth in Exhibit D to this Agreement. IMI at any time, and from time to time, shall have the right to add principals (and amend or supplement Exhibit D to include such principals) and upon so doing shall notify Lessee; provided, however, that notwithstanding the date of such notification, such principal(s) shall be deemed a Lessor hereunder effective as of the date the cars owned by such principal and managed by IMI are delivered to Lessee. Any amended or supplemented Exhibit D shall, from time to time, be delivered to Lessee.
