Each Guarantor's right of contribution shall be subject to the terms and conditions of Section 2. The provisions of this Section 2.1 shall in no respect limit the obligations and liabilities of any Guarantor to any Secured Party, and each Guarantor shall remain liable to the Secured Parties for the full amount guaranteed by such Guarantor hereunder.

2.2. No Subrogation. Notwithstanding any payment made by any Guarantor hereunder or any set-off or application of funds of any Guarantor by any Secured Party, no Guarantor shall be entitled to be subrogated to any of the rights of any Secured Party against the Borrower or any other Guarantor or any collateral security or guaranty or right of offset held by any Secured Party for the payment of the Borrower Obligations, nor shall any Guarantor seek or be entitled to seek any contribution or reimbursement from the Borrower or any other Guarantor in respect of payments made by such Guarantor hereunder, until all amounts owing to the Secured Parties by the Borrower on account of the Borrower Obligations are paid in full, no Letter of Credit shall be outstanding and the Commitments are terminated. If any amount shall be paid to any Guarantor on account of such subrogation rights at any time when all of the Borrower Obligations shall not have been paid in full, such amount shall be held by such Guarantor in trust for the Secured Parties, segregated from other funds of such Guarantor, and shall, forthwith upon receipt by such Guarantor, be turned over to the Agent in the exact form received by such Guarantor (duly indorsed by such Guarantor to the Agent, if required), to be applied against the Borrower Obligations, whether matured or unmatured, in such order as the Agent may determine.

2.3. Amendments, Etc. with respect to the Borrower Obligations. Each Guarantor shall remain obligated hereunder notwithstanding that, without any reservation of rights against any Guarantor and without notice to or further assent by any Guarantor, any demand for payment of any of the Borrower Obligations made by any Secured Party may be rescinded by such Secured Party and any of the Borrower Obligations continued, and the Borrower Obligations, or the liability of any other Person upon or for any part thereof, or any collateral security or guaranty therefor or right of offset with respect thereto, may, from time to time, in whole or in part, be renewed, extended, amended, restated, modified, accelerated, compromised, waived, surrendered or released by any Secured Party, and the Credit Agreement and the other Loan Documents and any other documents executed and delivered in connection therewith may be amended, restated, modified, supplemented or terminated, in whole or in part, as the Agent (or the Required Lenders or all Lenders, as the ease may be) may deem advisable from time to time, and any collateral security, guaranty or right of offset at any time held by any Secured Party for the payment of the Borrower Obligations may be sold, exchanged, waived, surrendered or released. No Secured Party shall have any obligation to protect, secure, perfect or insure any Lien at any time held by it as security for the Borrower Obligations or for the guaranty contained in this Section 2 or any property subject thereto.

2.4. Guaranty Absolute and Unconditional. Each Guarantor waives any and all notice of the creation, renewal, extension or accrual of any of the Borrower Obligations and notice of or proof of reliance by any Secured Party upon the guaranty contained in this Section 2 or acceptance of the guaranty contained in this Section 2; the Borrower Obligations, and any of them, shall conclusively be deemed to have been created, contracted or incurred, or renewed, extended, amended or waived, in reliance upon the guaranty contained in this Section 2; and all dealings between the Borrower and any of the Guarantors, on the one hand, and the Secured Parties, on the other hand, likewise shall be conclusively presumed to have been had or consummated in reliance upon the guaranty contained in this Section 2. Each Guarantor

waives diligence, presentment, protest, notice of acceleration, notice of intent to accelerate, demand for payment and notice of default or nonpayment to or upon the Borrower or any of the Guarantors with respect to the Borrower Obligations. Each Guarantor understands and agrees that the guaranty contained in this Section 2 shall he construed as a continuing, absolute and unconditional guaranty of payment without regard to (a) the validity or enforceability of the Credit Agreement or any other Loan Document, any of the Borrower Obligations or any other collateral security therefor or guaranty or right of offset with respect thereto at any time or from time to time held by the Secured Parties or any of them, (b) any defense, set-off, recoupment or counterclaim (other than a defense of payment or performance) that may at any time be available to or be asserted by the Borrower or any other Person against any Secured Party, or (c) any other circumstance whatsoever (with or without notice to or knowledge of the Borrower or such Guarantor) that constitutes, or might be construed to constitute, an equitable or legal discharge of the Borrower for the Borrower Obligations, or of such Guarantor under the guaranty contained in this Section 2, in bankruptcy or in any other instance. When making any demand hereunder or otherwise pursuing its rights and remedies hereunder against any Guarantor, any Secured Party may, but shall be under no obligation to, make a similar demand on or otherwise pursue such rights and remedies as it may have against the Borrower, any other Guarantor or any other Person or against any collateral security or guaranty for the Borrower Obligations or any right of offset with respect thereto, and any failure by any Secured Party to make any such demand, to pursue such other rights or remedies or to collect any payments from the Borrower, any other Guarantor or any other Person or to realize upon any such collateral security or guaranty or to exercise any such right of offset, or any release of the Borrower, any other Guarantor or any other Person or any such collateral security, guaranty or right of offset, shall not relieve any Guarantor of any obligation or liability hereunder, and shall not impair or affect the rights and remedies, whether express, implied or available as a matter of law, of any Secured Party against any Guarantor. For the purposes hereof "demand" shall include the commencement and continuance of any legal proceedings.

2.5. Reinstatement. The guaranty contained in this Section 2 shall continue to be effective, or be reinstated, as the case may be, if at any time payment, or any part thereof, of any of the Borrower Obligations is rescinded or must otherwise be restored or returned by any Secured Party upon the insolvency, bankruptcy, dissolution, liquidation or reorganization of the Borrower or any Guarantor, or upon or as a result of the appointment of a receiver, intervenor or conservator of, or trustee or similar officer for, the Borrower or any Guarantor or any substantial part of its property, or otherwise, all as though such payments had not been made.

2.6. Stay of Acceleration. If acceleration of the time for payment of any amount payable by the Borrower or any Guarantor under any Loan Document is stayed upon the insolvency, bankruptcy or reorganization of the Borrower or such Guarantor, all such amounts otherwise subject to acceleration under the terms of the Loan Documents shall nonetheless be payable by each Guarantor hereunder other than a Guarantor to which such stay applies forthwith on demand by the Agent.

2.7. Payments. Each Guarantor hereby guarantees that payments hereunder will be paid to the Agent without set-off or counterclaim in Dollars at the Agent's Office.

Neither the Agent nor any other Secured Party shall have any obligation or liability under any Receivable (or any agreement giving rise thereto) by reason of or arising out of this Agreement or the receipt by the Agent or any other Secured Party of any payment relating thereto, nor shall the Agent or any other Secured Party be obligated in any manner to perform any of the obligations of any Grantor under or pursuant to any Receivable (or any agreement giving rise thereto), to make any payment, to make any inquiry as to the nature or the sufficiency of any payment received by it or as to the sufficiency of any performance by any party thereunder, to present or file any claim, to take any action to enforce any performance or to collect the payment of any amounts that may have been assigned to it or to which it may be entitled at any time or times.

(b) If an Event of Default shall occur and be continuing and the Agent shall give notice of its intent to exercise such rights to the relevant Grantor or Grantors, (i) the Agent shall have the right to receive any and all cash dividends, payments or other Proceeds paid in respect of the Investment Property and make application thereof to the Obligations in such order as the Agent may determine, and (ii) any or all of the Investment Property pledged hereunder shall be registered in the name of the Agent or its nominee, and the Agent or its nominee may thereafter exercise (x) all voting, corporate and other rights pertaining to such Investment Property at any meeting of shareholders (or other owners of Equity Interests) of the relevant Issuer or Issuers or otherwise and (y) any and all rights of conversion, exchange and subscription and any other rights, privileges or options pertaining to such Investment Property as if it were the absolute owner thereof (including, without limitation, the right to exchange at its discretion any and all of the Investment Property upon the merger, consolidation, reorganization, recapitalization or other fundamental change in the corporate (or organizational) structure of any Issuer, or upon the exercise by any Grantor or the Agent of any right, privilege or option pertaining to such Investment Property, and in connection therewith, the right to deposit and deliver any and all of the Investment Property with any committee, depositary, transfer agent, registrar or other designated agency upon such terms and conditions as the Agent may determine), all without liability except to account for property actually received by it, but the Agent shall have no duty to any Grantor to exercise any such right, privilege or option and shall not be responsible for any failure to do so or delay in so doing.

(c) Each Grantor hereby authorizes and instructs each Issuer of any Investment Property pledged by such Grantor hereunder to (i) comply with any instruction received by it from the Agent in writing that (x) states that an Event of Default has occurred and is continuing and (y) is otherwise in accordance with the terms of this Agreement, without any other or further instructions from such Grantor, and each Grantor agrees that each Issuer shall be fully protected in so complying, and (ii) unless otherwise expressly permitted hereby, pay any dividends, distributions or other payments with respect to the Investment Property directly to the Agent.

All Proceeds received by the Agent hereunder shall be held by the Agent in a Collateral Account maintained under its sole dominion and control. All Proceeds while held by the Agent in a Collateral Account (or by such Grantor in trust for the Agent) shall continue to be held as collateral security for all the Obligations and shall not constitute payment thereof until applied as provided in Section 6.5.

6.5. Application of Proceeds. At such intervals as may be agreed upon by the Borrower and the Agent, or, if an Event of Default shall have occurred and be continuing, at any time at the Agent's election, the Agent may apply all or any part of Proceeds held in any Collateral Account in payment of

the Obligations in such order as the Agent may elect, and any part of such funds that the Agent elects not so to apply and deems not required as collateral security for the Obligations shall be paid over from time to time by the Agent to the Borrower or to whomsoever may be lawfully entitled to receive the same. Any balance of such Proceeds remaining after the Obligations shall have been paid in full, no Letters of Credit shall be outstanding and the Commitments shall have terminated shall be paid over to the Borrower or to whomsoever may be lawfully entitled to receive the same.

6.6. Code and Other Remedies. If an Event of Default shall occur and be continuing, the Agent, on behalf of the Secured Parties, may exercise, in addition to all other rights and remedies granted to them in this Agreement and in any other instrument or agreement securing, evidencing or relating to the Obligations, all rights and remedies of a secured party under the Uniform Commercial Code or any other applicable law. Without limiting the generality of the foregoing, the Agent, without demand of performance or other demand, presentment, protest, advertisement or notice of any kind (except any notice required by law referred to below) to or upon any Grantor or any other Person (all and each of which demands, defenses, advertisements and notices are hereby waived), may in such circumstances forthwith collect, receive, appropriate and realize upon the Collateral, or any part thereof, and/or may forthwith sell, lease, license, assign, give an option or options to purchase, or otherwise dispose of and deliver the Collateral or any part thereof (or contract to do any of the foregoing), in one or more parcels at public or private sale or sales, at any exchange, broker's board or office of the Agent or any other Secured Party or elsewhere upon such terms and conditions as it may deem advisable and at such prices as it may deem best, for cash or on credit or for future delivery without assumption of any credit risk. The Agent or any other Secured Party shall have the right upon any such public sale or sales, and, to the extent permitted by law, upon any such private sale or sales, to purchase the whole or any part of the Collateral so sold, free of any right or equity of redemption in any Grantor, which right or equity is hereby waived and released. Each Grantor further agrees, at the Agent's request, to assemble the Collateral and make it available to the Agent at places that the Agent shall reasonably select, whether at such Grantor's premises or elsewhere. The Agent shall have no obligation to clean-up or otherwise prepare the Collateral for sale. The Agent shall apply the net proceeds of any action taken by it pursuant to this Section 6.6, after deducting all reasonable costs and expenses of every kind incurred in connection therewith or incidental to the care or safekeeping of any of the Collateral or in any way relating to the Collateral or the rights of the Agent and the other Secured Parties hereunder, including, without limitation, reasonable attorneys' fees and disbursements, to the payment in whole or in part of the Obligations, in such order as the Agent may elect, and only after such application and after the payment by the Agent of any other amount required by any provision of law, including, without limitation, the Uniform Commercial Code, need the Agent account for the surplus, if any, to any Grantor. To the extent permitted by applicable law, each Grantor waives all claims, damages and demands it may acquire against the Agent or any other Secured Party arising out of the exercise by them of any rights hereunder. If any notice of a proposed sale or other disposition of Collateral shall be required by law, such notice shall be deemed reasonable and proper if given at least ten days before any public sale of Collateral or of the time after which any private sale or other disposition of Collateral is intended to be made. The Agent and its agents shall have the right to enter upon any real property owned or leased by any Grantor to exercise any of its rights and remedies under this Agreement. The Agent shall not be obligated to make any sale of Collateral regardless of notice of sale having been given. The Agent may adjourn any public or private sale from time to time by announcement at the time and place fixed therefor, and any such sale may, without further notice, be made at the time and place to which it was adjourned. For the purpose of enabling the Agent to exercise its rights and remedies hereunder, each Grantor hereby grants to the Agent an irrevocable, non-exclusive license (exercisable without payment of royalty or other compensation to such Grantor) to use, license or sublicense any of the Intellectual Property now owned or hereafter acquired by such Grantor, wherever the same may be located, including in such license reasonable access to all media in which any of the licensed items may be recorded or stored and to all computer programs used for the compilation or printout thereof. The Agent may comply with any applicable Requirement of Law in connection with a disposition of the Collateral or any part thereof and compliance will not be considered adversely to affect

any sale of the Collateral or any part thereof.

6.7. Registration Rights. (a) If the Agent shall determine to exercise its right to sell any or all of the Pledged Interests pursuant to Section 6.6, and if in the opinion of the Agent it is necessary or advisable to have the Pledged Interests, or that portion thereof to be sold, registered under the provisions of the Securities Act, the relevant Grantor will cause the Issuer thereof to (i) execute and deliver, and cause the directors and officers of such Issuer to execute and deliver, all such instruments and documents, and do or cause to be done all such other acts as may be, in the opinion of the Agent, necessary or advisable to register the Pledged Interests, or that portion thereof to be sold, under the provisions of the Securities Act, (ii) use its best efforts to cause the registration statement relating thereto to become effective and to remain effective for a period of one year from the date of the first public offering of the Pledged Interests, or that portion thereof to be sold, and (iii) make all amendments thereto and/or to the related prospectus that, in the opinion of the Agent, are necessary or advisable, all in conformity with the requirements of the Securities Act and the rules and regulations of the Securities and Exchange Commission applicable thereto. Each Grantor agrees to cause such Issuer to comply with the provisions of the securities or "Blue Sky" laws of any and all jurisdictions that the Agent shall designate and to make available to its security holders, as soon as practicable, an earnings statement (which need not be audited) that will satisfy the provisions of Section 11(a) of the Securities Act.

(b) Each Grantor recognizes that the Agent may be unable to effect a public sale of any or all the Pledged Interests, by reason of certain prohibitions contained in the Securities Act and applicable state securities laws or otherwise, and may be compelled to resort to one or more private sales thereof to a restricted group of purchasers that will be obliged to agree, among other things, to acquire such securities for their own account for investment and not with a view to the distribution or resale thereof. Each Grantor acknowledges and agrees that any such private sale may result in prices and other terms less favorable than if such sale were a public sale and, notwithstanding such circumstances, agrees that any such private sale shall be deemed to have been made in a commercially reasonable manner. The Agent shall be under no obligation to delay a sale of any of the Pledged Interests for the period of time necessary to permit the Issuer thereof to register such securities for public sale under the Securities Act, or under applicable state securities laws, even if such Issuer would agree to do so.

(c) Each Grantor agrees to use its best efforts to do or cause to be done all such other acts as may be necessary to make such sale or sales of all or any portion of the Pledged Interests pursuant to this Section 6.7 valid and binding and in compliance with any and all other applicable requirements of law. Each Grantor further agrees that a breach of any of the covenants contained in this Section 6.7 will cause irreparable injury to the Agent and the other Secured Parties, that the Agent and the other Secured Parties have no adequate remedy at law in respect of such breach and, as a consequence, that each and every covenant contained in this Section 6.7 shall be specifically enforceable against such Grantor, and such Grantor hereby waives and agrees not to assert any defenses against an action for specific performance of such covenants except for a defense that no Event of Default has occurred under the Credit Agreement.

6.8. Sales on Credit. If the Agent sells any of the Collateral upon credit, the relevant Grantor will be credited only with payments actually made by the purchaser, recorded by the Agent and applied to the indebtedness of the purchaser. In the event the purchaser fails to pay for the Collateral, the Agent may resell the Collateral and the relevant Grantor shall be credited with the proceeds of sale.

6.9. Warranties. The Agent may sell the Collateral without giving any warranties as to the Collateral and may disclaim any warranties in connection with any sale.

7. THE AGENT.

7.1. Agent's Appointment as Attorney-in-Fact, Etc. (a) Each Grantor hereby irrevocably constitutes and appoints the Agent and any officer or agent thereof, with full power of substitution, as its true and lawful attorney-in-fact with full irrevocable power and authority in the place and stead of such Grantor and in the name of such Grantor or in its own name, for the purpose of carrying out the terms of this Agreement. to take any and all appropriate action and to execute any and all documents and instruments that may be necessary or desirable to accomplish the purposes of this Agreement, and, without limiting the generality of the foregoing, each Grantor hereby gives the Agent the power and right, on behalf of such Grantor, without notice to or assent by such Grantor, to do any or all of the following:

(i) in the name of such Grantor or its own name, or otherwise, take possession of and indorse and collect any checks, drafts, notes, acceptances or other instruments for the payment of moneys due under any Receivable or with respect to any other Collateral and file any claim or take any other action or proceeding in any court of law or equity or otherwise deemed appropriate by the Agent for the purpose of collecting any and all such moneys due under any Receivable or Assigned Agreement or with respect to any other Collateral whenever payable;

(ii) in the case of any Intellectual Property, execute and deliver, and have recorded, any and all agreements, instruments, documents and papers as the Agent may request to evidence the Agent's security interest in such Intellectual Property and the goodwill and general intangibles of such Grantor relating thereto or represented thereby;

(iii) pay or discharge taxes and Liens levied or placed on or threatened against the Collateral, effect any repairs or any insurance called for by the terms of this Agreement and pay all or any part of the premiums therefor and the costs thereof;

(iv) execute, in connection with any sale provided for in Section 6.6 or 6.7 any endorsements, assignments or other instruments of conveyance or transfer with respect to the Collateral; and

(v) (A) direct any party liable for any payment under any of the Collateral to make payment of any and all moneys due or to become due thereunder directly to the Agent or as the Agent shall direct; (B) ask or demand for, collect, and receive payment of and receipt for, any and all moneys, claims and other amounts due or to become due at any time in respect of or arising out of any Collateral; (C) sign and indorse any invoices, freight or express bills, bills of lading, storage or warehouse receipts, drafts against debtors, assignments, verifications, notices and other documents in connection with any of the Collateral; (D) commence and prosecute any suits, actions or proceedings at law or in equity in any court of competent jurisdiction to collect the Collateral or any portion thereof and to enforce any other right in respect of any Collateral; (E) defend any suit, action or proceeding brought against such Grantor with respect to any Collateral; (F) settle, compromise or adjust any such suit, action or proceeding and, in connection therewith, give such discharges or releases as the Agent may deem appropriate; (G) assign any Intellectual Property (along with the goodwill of the business to which any such Intellectual Property pertains), throughout the world for such term or terms, on such conditions, and in such manner, as the Agent shall in its sole discretion determine: (1) exercise any and all rights, powers, privileges and remedies of such Grantor under the Assigned Agreements (including, all rights of performance, termination, and enforcement); (2) operate, maintain, and repair the Collateral; and (3) generally, sell, transfer, pledge and make any agreement with respect to or otherwise deal with any of the Collateral as fully and completely as though the Agent were the absolute owner thereof for all purposes, and do, at the Agent's option and such Grantor's expense, at any time, or from time to time, all acts and things that the Agent deems necessary to protect, preserve or realize

upon the Collateral and the Agent's security interests therein and to effect the intent of this Agreement, all as fully and effectively as such Grantor might do.

Anything in this Section 7.1(a) to the contrary notwithstanding, the Agent agrees that it will not exercise any rights under the power of attorney provided for in this Section 7.1(a) unless an Event of Default shall have occurred and be continuing.

(b) If any Grantor fails to perform or comply with any of its agreements contained herein, the Agent, at its option, but without any obligation so to do, may perform or comply, or otherwise cause performance or compliance, with such agreement.

(c) The expenses of the Agent incurred in connection with actions undertaken as provided in this Section 7.1, together with interest thereon at a rate per annum equal to the highest rate per annum at which interest would then be payable on any category of past due Base Rate Revolving Loans under the Credit Agreement, from the date of payment by the Agent to the date reimbursed by the relevant Grantor, shall be payable by such Grantor to the Agent on demand.

(d) Each Grantor hereby ratifies all that said attorneys shall lawfully do or cause to be done by virtue hereof all powers, authorizations and agencies contained in this Agreement are coupled with an interest and are irrevocable until this Agreement is terminated and the security interests created hereby are released.

7.2. Duty of Agent. The Agent's sole duty with respect to the custody, safekeeping and physical preservation of the Collateral in its possession, under Section 9-207 of the Uniform Commercial Code or otherwise, shall be to deal with it in the same manner as the Agent deals with similar property for its own account. Neither the Agent, any other Secured Party nor any of their respective officers, directors, employees or agents shall be liable for failure to demand, collect or realize upon any of the Collateral or for any delay in doing so or shall be under any obligation to sell or otherwise dispose of any Collateral upon the request of any Grantor or any other Person or to take any other action whatsoever with regard to the Collateral or any part thereof. The powers conferred on the Agent pursuant to this Agreement are solely to protect the Agent's interests in the Collateral and shall not impose any duty upon the Agent to exercise any such powers. The Agent shall be accountable only for amounts that it actually receives as a result of the exercise of such powers, and neither the Agent nor, any of its officers, directors, employees or agents shall be responsible to any Grantor for any act or failure to act hereunder, except for its or their own gross negligence or willful misconduct.

7.3. Execution of Financing Statements. Each Grantor authorizes the Agent at any time and from time to time to file (electronically or otherwise) or record financing statements and amendments thereto and other filing or recording documents or instruments with respect to the Collateral without the signature of such Grantor in such form and in such offices as the Agent determines appropriate to perfect the security interests of the Agent under this Agreement. Any such financing statements, amendments, and other documents and instruments may describe the Collateral as all present and future assets of each Grantor. A photographic or other reproduction of this Agreement shall be sufficient as a financing statement or other filing or recording document or instrument for filing or recording in any jurisdiction.

7.4. Authority of Agent. Each Grantor acknowledges that the rights and responsibilities of the Agent under this Agreement with respect to any action taken by the Agent or the exercise or non-exercise by the Agent of any option, voting right, request, judgment or other right or remedy provided for herein or resulting or arising out of this Agreement shall, as between the Agent and the other Secured Parties, be governed by the Credit Agreement and by such other agreements with respect thereto as may exist from time to time among them, but, as between the Agent and the Grantors, the Agent shall be conclusively

presumed to be acting as agent for the Secured Parties with full and valid authority so to act or refrain from acting, and no Grantor shall be under any obligation, or entitlement, to make any inquiry respecting such authority.

8. MISCELLANEOUS.

8.1. Amendments in Writing. None of the terms or provisions of this Agreement may be waived, amended, supplemented or otherwise modified except in accordance with Article VIII of the Credit Agreement.

8.2. Notices. All notices, requests and demands to or upon the Agent or any Grantor hereunder shall be effected in the manner provided for in Article XIII of the Credit Agreement; provided that, any such notice, request or demand to or upon arty Guarantor shall be addressed to such Guarantor at its notice address set forth in Schedule "1".

8.3. No Waiver by Course of Conduct: Cumulative Remedies. Neither the Agent nor any other Secured Party shall by any act (except by a written instrument pursuant to Section 8.1), delay, indulgence, omission or otherwise be deemed to have waived any right or remedy hereunder or to have acquiesced in any Default or Event of Default. No failure to exercise, nor any delay in exercising, on the part of the Agent or any other Secured Party any right, power or privilege hereunder shall operate as a waiver thereof no single or partial exercise of any right, power or privilege hereunder shall preclude any other or further exercise thereof or the exercise of any other right, power or privilege. A waiver by the Agent or any other Secured Party of any right or remedy hereunder on any one occasion shall not be construed as a bar to any right or remedy that the Agent or such other Secured Party would otherwise have on any future occasion. The rights and remedies herein provided are cumulative, may be exercised singly or concurrently, and are not exclusive to any other rights or remedies provided by law.

8.4. Enforcement Expenses Indemnification. (a) Each Grantor shall upon demand pay to the Agent the amount of any and all costs and expenses, including the reasonable fees and expenses of counsel and of any experts, advisors, and agents, which the Secured Parties may incur in connection with (i) the administration of this Agreement, (ii) the collection of the Obligations, (iii) the custody, preservation, use or operation of, or the sale of, collection from, or other realization upon, any of the Collateral, (iv) the exercise or enforcement of any of the rights or remedies of the Agent or the other Secured Parties hereunder or (v) the failure by any Grantor to perform or observe any of the provisions of this Agreement.

(b) Each Guarantor agrees to pay, and to hold each of the Secured Parties harmless from, any and all liabilities with respect to, or resulting from any delay in paying, any and all stamp, excise, sales or other taxes that may be payable or determined to be payable with respect to any of the Collateral or in connection with any of the transactions contemplated by this Agreement.

(c) Each Guarantor agrees to pay, and to hold each of the Secured Parties harmless from, any and all liabilities, obligations, losses, damages, penalties, actions, judgments, suits, costs, expenses or disbursements of any kind or nature whatsoever with respect to the execution, delivery, enforcement, performance and administration of this Agreement to the extent the Borrower would be required to do so pursuant to Section 9.6 of the Credit Agreement.

(d) The agreements in this Section 8.4 shall survive repayment of the Obligations and all other amounts payable under the Credit Agreement and the other Loan Documents.

8.5. Assignment. This Agreement shall be binding upon the successors and assigns of each

Grantor and shall inure to the benefit of the Agent and the other Secured Parties and their successors and assigns; provided that, no Grantor may assign, transfer or delegate any of its rights or obligations under this Agreement without the prior written consent of the Agent.

8.6. Set-Off. Each Grantor hereby irrevocably authorizes each Secured Party at any time and from time to time while an Event of Default shall have occurred and be continuing, without notice to such Grantor or any other Grantor, any such notice being expressly waived by each Grantor, to set-off and appropriate and apply any and all deposits (general or special, time or demand, provisional or final), in any currency, and any other credits, indebtedness or claims, in any currency, in each case whether direct or indirect, absolute or contingent, matured or unmatured, at any time held or owing by such Secured Party to or for the credit or the account of such Grantor, or any part thereof in such amounts as such Secured Party may elect, against and on account of the obligations and liabilities of such Grantor to such Secured Party hereunder and claims of every nature and description of such Secured Party against such Grantor, in any currency, whether arising hereunder, under the Credit Agreement any other Loan Document or otherwise, as such Secured Party may elect, whether or not such Secured Party has made any demand for payment and although such obligations, liabilities and claims may be contingent or unmatured. The relevant Secured Party shall notify such Grantor promptly of any such set-off and the application made by such Secured Party of the proceeds thereof; provided that, the failure to give such notice shall not affect the validity of such set-off and application. The rights of the Secured Parties under this Section 8.6 are in addition to other rights and remedies (including, without limitation, other rights of set-off) that any Secured Parts may have.

8.7. Counterparts. This Agreement may be executed by one or more of the parties to this Agreement on any number of separate counterparts (including by telecopy), and all of said counterparts taken together shall be deemed to constitute one and the same instrument.

8.8. Severability. Any provision of this Agreement that is prohibited or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof, and any such prohibition or unenforceability in any jurisdiction shall not invalidate or render unenforceable such provision in any other jurisdiction.

8.9. Section Headings. The Section headings used in this Agreement are for convenience of reference only and are not to affect the construction hereof or be taken into consideration in the interpretation hereof

8.10. **GOVERNING LAW. THIS AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED AND INTERPRETED IN ACCORDANCE WITH, THE INTERNAL LAWS OF THE STATE OF OKLAHOMA.**

8.11. Submission To Jurisdiction; Waivers. Each Grantor hereby irrevocably and unconditionally:

(a) submits for itself and its property in any legal action or proceeding relating to this Agreement and the other Loan Documents to which it is a party, or for recognition and enforcement of any judgment in respect thereof, to the non-exclusive general jurisdiction of the Courts of the State of Oklahoma, the courts of the United States of America for the Northern District of Oklahoma, and appellate courts from any thereof,

(b) consents that any such action or proceeding may be brought in such courts and waives any objection that it may now or hereafter have to the venue of any such action or proceeding in any such

court or that such action or proceeding was brought in an inconvenient court and agrees not to plead or claim the same;

(c) agrees that service of process in any such action or proceeding may be effected by mailing a copy thereof by registered or certified mail (or any substantially similar form of mail), postage prepaid, to such Grantor at its address referred to in Section 8.2 or at such other address of which the Agent shall have been notified pursuant thereto;

(d) agrees that nothing herein shall affect the right to effect service of process in any other manner permitted by law or shall limit the right to sue in any other jurisdiction; and

(e) waives, to the maximum extent not prohibited by law, any right it may have to claim or recover in any legal action or proceeding referred to in this Section or otherwise relating to this Agreement any special, exemplary, punitive or consequential damages.

8.12. Acknowledgements. Each Grantor hereby acknowledges and agrees that:

(a) it has been advised by counsel in the negotiation, execution and delivery of this Agreement and the other Loan Documents to which it is a party, and this Agreement shall be construed as jointly drafted by the parties hereto;

(b) no Secured Party has any fiduciary relationship with or duty to any Grantor arising out of or in connection with this Agreement or any of the other Loan Documents, and the relationship between the Grantors on the one hand, and the Secured Parties, on the other hand, in connection herewith or therewith is solely that of debtor and creditor; and

(c) no joint venture is created hereby or by the other Loan Documents or otherwise exists by virtue of the transactions contemplated hereby among the Secured Parties or among the Grantors and the Secured Parties.

8.13. Additional Grantors. Each Subsidiary of the Borrower that is required to become a party to this Agreement pursuant to Section 6.25 of the Credit Agreement shall become a Grantor for all purposes of this Agreement upon execution and delivery by such Subsidiary of an Assumption Agreement in the form satisfactory to Agent, or a separate Guaranty and Collateral Agreement.

8.14. Releases. (a) At such time as the Loans and the other Obligations shall have been paid in full, the Commitments have been terminated and no Letters of Credit shall be outstanding, the Collateral shall be released from the Liens created hereby, and this Agreement and all obligations (other than those expressly stated to survive such termination) of the Agent and each Grantor hereunder shall terminate, all without delivery of any instrument or performance of any act by any party, and all rights to the Collateral shall revert to the Grantors. At the request and sole expense of any Grantor following any such termination, the Agent shall deliver to such Grantor any Collateral held by the Agent hereunder, and execute and deliver to such Grantor such documents as such Grantor shall reasonably request to evidence such termination.

(b) If any of the Collateral shall be sold, transferred or otherwise disposed of by any Grantor in a transaction permitted by the Credit Agreement, then the Agent, at the request and sole expense of such Grantor, shall execute and deliver to such Grantor all releases or other documents reasonably necessary or desirable for the release of the Liens created hereby on such Collateral.

8.15. **WAIVER OF JURY TRIAL. EACH GRANTOR HEREBY IRREVOCABLY AND UNCONDITIONALLY WAIVES TRIAL BY JURY IN ANY LEGAL ACTION OR PROCEEDING RELATING TO THIS AGREEMENT OR ANY OTHER LOAN DOCUMENT AND FOR ANY COUNTERCLAIM THEREIN.**

8.16. Obligations Absolute. All rights of the Secured Parties and the guaranties, pledges, assignments and security interests hereunder, and all obligations of each Grantor hereunder, shall be absolute and unconditional, irrespective of:

(a) any lack of validity or enforceability of the Credit Agreement, any other Loan Document or any other agreement or instrument relating thereto;

(b) any change in the time, manner or place of payment of, or in any other term of, all or any of the Obligations, or any other amendment or waiver of or any consent to any departure from the Credit Agreement or any of the other Loan Documents, including, without limitation, any increase in the Obligations resulting from the extension of additional credit to the Borrower or any of its Subsidiaries or otherwise;

(c) party taking, exchange, release or non-perfection of any collateral, or any taking, release or amendment or waiver of or consent to departure from any guaranty, for all or any of the Obligations;

(d) any manner of application of collateral, or proceeds thereof, to all or any of the Obligations, or any manner of sale or other disposition of any collateral for all or any of the Obligations or any other assets of the Borrower or any of its Subsidiaries;

(e) any change, restructuring or termination of the corporate structure or existence of the Borrower or any of its Subsidiaries; or

(f) any other circumstance that might otherwise constitute a defense available to, or a discharge of, the Borrower or a third party guarantor or grantor of a security interest.

8.17. Waiver and Estoppel. (a) Each Grantor irrevocably agrees, to the extent it may lawfully do so, that it will not at any time or in any manner whatsoever claim or take the benefit or advantage of any appraisal, valuation, stay, extension, moratorium, turnover or redemption law, or any law permitting it to direct the order in which the Collateral (or any other security) shall be sold, now or at any time hereafter in force, which may delay, prevent or otherwise affect the performance or enforcement of this Agreement or any other Loan Document, and hereby waives all benefit or advantage of all such laws. Each Grantor irrevocably covenants that it will not hinder, delay or impede the execution of any power of sale granted to the Agent in this Agreement or any other Loan Document, but will suffer and permit the execution of every such power as though no such law were in force.

(b) Each Grantor, to the extent it may lawfully do so, on behalf of itself and all who may claim through or under it, including without limitation any and all subsequent creditors, irrevocably waives and releases all rights to demand or to have any marshalling of any of the Collateral (or any other security) upon any sale, whether made pursuant to any rights granted herein or pursuant to judicial proceedings or upon any foreclosure or any enforcement of this Agreement or any other Loan Document and irrevocably consents and agrees that all the Collateral (and any other security) may at any such sale be offered and sold as an entirety.

(c) Each Grantor waives, to the extent permitted by applicable law, presentment, demand,

protest, notice of acceleration, notice of interest to accelerate, and any other notice of any kind (except notices explicitly required hereunder or under the other Loan Documents) in connection with this Agreement or any other Loan Document and any action taken by the Agent with respect to the Collateral.

8.18. Multiple Real and Personal Property Collateral. (a) Each Grantor hereby agrees that, if an Event of Default shall have occurred and be continuing. the Secured Parties shall be allowed, to the greatest extent permitted by applicable law, to pursue and realize upon all of the rights and remedies available to them under any of the Loan Documents, at law, in equity, or otherwise, and simultaneously or consecutively, in their discretion, including without limitation, commencement of one or more actions in one or more jurisdictions for (i) repayment of all or portions of the Obligations, (ii) the separate or simultaneous sale or foreclosure of real and/or personal property or portions thereof, (iii) the obtaining of judgments and/or deficiency judgments, (iv) the seeking of injunctive relief, and (v) maximum access to and realization from the Loan Parties and collateral or portions thereof in such manner as the Secured Parties may deem in their interest. The Grantors hereby waive any requirement that any deficiency judgment proceeding be initiated or completed with respect to any other property constituting collateral as a condition to commencing any enforcement proceeding against any party or any particular item of collateral. The Grantors hereby expressly acknowledge and agree that various consents, waivers and agreements set forth in the Loan Documents, including deeds of trust and mortgages, were granted in recognition of the foregoing, and that all such waivers, consents and agreements shall apply to each other Loan Document as though set forth therein. In addition to any other consents, waivers and agreements set forth in any of the Loan Documents, and without limiting the foregoing, each Grantor hereby waives the benefits of any 'one-action rule" or "anti-deficiency' law of any state which may be applicable to it or to any of the Collateral.

8.19 **INTEGRATION. THIS WRITTEN AGREEMENT REPRESENTS THE FINAL AGREEMENT OF THE GRANTORS AND THE AGENT WITH RESPECT TO THE SUBJECT MATTER HEREOF, AND MAY NOT BE CONTRADICTED BY EVIDENCE OF PRIOR, CONTEMPORANEOUS OR SUBSEQUENT ORAL AGREEMENTS OF THE PARTIES. THERE ARE NO PROMISES, UNDERTAKINGS, REPRESENTATIONS OR WARRANTIES BY THE AGENT RELATIVE TO SUBJECT MATTER HEREOF NOT EXPRESSLY SET FORTH OR REFERRED TO HEREIN. THERE ARE NO UNWRITTEN ORAL AGREEMENTS AMONG THE PARTIES.**

NOTES: As of January 20th 2004 there is no contract with Helm Financial on these Cars. However I did contact Helm Financial in San Francisco Calif., and was asked to contact Becky Fremont in Pittsburg and tell her according to Helm, Watco has not signed and returned the lease agreement from July 30, 2003 as of the 20th of Jan 2004. I called and left that information with Becky on 1-20-04 and she told me she would try and locate and get it completed as soon as possible and send me a copy.
