# ASSIGNMENT AND ASSUMPTION

April 18, 2013

TLP Rail Trust I, a Delaware statutory trust (the "**Assignor**"), in consideration of the sum of ten dollars ($10.00) and other good and valuable consideration, hereby transfers, assigns and otherwise conveys and grants to Flagship Rail Services, LLC, a Delaware limited liability company (the "**LLC**"), and the LLC hereby acquires and assumes from the Assignor, all of the Assignor's right, title and interest in and to the Leases set forth on Schedule I hereto and all Related Assets with respect thereto (collectively, the "**Leases**"), any and all income and proceeds thereof and any and all obligations of the Assignor thereunder arising on and after April 1, 2013. The parties hereto hereby agree that such consideration constitutes fair consideration and reasonably equivalent value under Applicable Law, including applicable fraudulent conveyance or fraudulent transfer law. Such consideration, together with the consideration for the related railcars referenced in the Bill of Sale of even date herewith made by the Assignor in favor of the LLC, equals the book value (as reflected in the Assignor's books and records) of such railcars.

The Assignor hereby warrants to the LLC and its successors and assigns that at the time of assignment of the Leases, the Assignor has legal and beneficial title thereto and good and lawful right to assign such Leases free and clear of all Encumbrances (other than subleases of the Leases as expressly permitted by the Agreement and other than Permitted Encumbrances), and the Assignor covenants that it will defend forever such title to the Leases against the demands or claims of all Persons whomsoever (including, without limitation, the holders of such Permitted Encumbrances) based on claims arising as a result of, or related or attributable to, acts, events or circumstances occurring prior to the assignment of the Leases by the Assignor hereunder. Notwithstanding the provisions above and its and the LLC's intent that the Assignor transfer, assign and otherwise convey and grant to the LLC all right, title and interest of the Assignor in the Leases, as a precaution only, in the event of any challenge to this Assignment as being in the nature of an absolute assignment rather than a financing, the Assignor hereby also grants the LLC a security interest in the Leases. Such grant of a security interest does not constitute an admission or acknowledgment that the transactions contemplated by the Agreement provide that this Assignment is other than a transfer, assignment and otherwise conveyance and grant to the LLC of all right, title and interest of the Assignor in the Leases.

The LLC hereby assumes, and agrees it is unconditionally bound in respect of, as of the applicable Delivery Date, all duties and obligations of the Assignor under the Leases arising on and after such Delivery Date.

Terms used herein with initial capital letters and not otherwise defined shall have the respective meanings given thereto in (i) Annex A to the Master Indenture, dated as of April 18, 2013, as amended, restated or otherwise modified from time to time, by and between FRS I LLC, as Issuer, and Deutsche Bank Trust Company Americas, as Indenture Trustee, or (ii) the Purchase and Contribution Agreement, dated as of April 18, 2013 (as amended, restated or otherwise modified from time to time, the "Agreement"), by and between the LLC and FRS I LLC.

The parties hereto intend that the transfers of the Leases hereunder is unconditional and absolute and that the Assignor retain no interest in the Leases after such transfer.

This Assignment and Assumption shall be governed by and construed in accordance with the laws of the State of New York, including, without limitation, Section 5-1401 and Section 5-1402 of the New York General Obligations Law but otherwise without regard to conflict of laws principles.

This Assignment and Assumption shall be binding upon and shall inure to the benefit of, and shall be enforceable by, the parties hereto and their respective successors and assigns as permitted by and in accordance with the terms hereof. Except as expressly provided herein or in the other Operative Agreements, no party hereto may assign their interests herein without the consent of the other party hereto.

Each party hereto will duly execute and deliver to the requesting party such further documents and assurances and take such further action as the requesting party may from time to time reasonably request or as may be required by Applicable Law in order to effectively carry out the intent and purpose of this Assignment and Assumption and to establish and protect the rights and remedies created or intended to be created in favor of the LLC hereunder, including, without limitation, the execution and delivery of supplements or amendments hereto, in recordable form.
