Washington, DC 20423-0001

Mr. Decker,

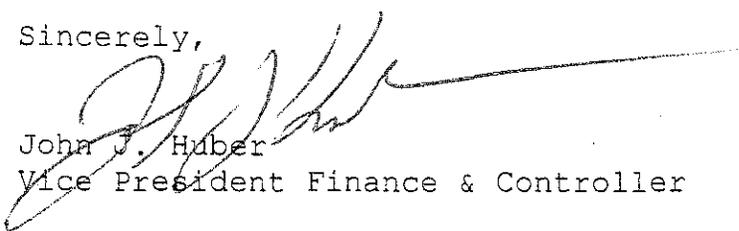

Enclosed are two revised 2010 R-1 schedules for Soo Line Corporation.

Schedule 330, page 33, column (g) subtotal did not include column (d) as it should have. This is probably the first time we have used column (d) since we prepared forms in excel & we have updated our worksheets accordingly.

Schedule 710, page 79, had a source data error in column (f) line 34, which carried forward to the subtotal in column (f) line 35. The correct number of units installed on line 34 should have been 118 instead of 65, a change of 53.

I apologize for any inconvenience this may cause.

Sincerely,

John J. Huber  
Vice President Finance & Controller
