STB Docket No. AB-1073-X
Alabama & Florida Railway Company Abandonment
Geneva, Coffee, and Covington Counties, Alabama

Dear Mr. Wimbish:

Upon review of the information forwarded by your office, we have determined that the line is potentially eligible for the National Register of Historic Places (NRHP). Therefore, we request that a cultural assessment be conducted to evaluate the line for NRHP eligibility. Finally, provided activities remain within right-of-way and on previously disturbed land, there should be no effect to archaeological resources listed on or eligible for the NRHP.

We appreciate your efforts on this project. Should you have any questions, please contact Greg Rhinehart at (334) 230-2662. Please have the AHC tracking number referenced above available and include it with any correspondence.

Truly yours,
