**THE DOW CHEMICAL COMPANY
NOTICE OF INTENT TO PARTICIPATE IN PUBLIC HEARING**

On September 23, 2013, The Dow Chemical Company (“Dow”) filed its Notice of Intent to Participate in in the public hearing previously scheduled for October 22, 2013 in this proceeding. At that time, however, Dow had not yet determined who would speak on its behalf, but stated that it would inform the Board upon making that determination. The purpose of this filing is to inform the Board that Dow will be represented at the re-scheduled hearing by Don Taylor, who is Dow’s Vice President of Supply Chain.

Respectfully submitted,
