RE: Mississippi Central Railroad Co. – Lease and Change in Operators Exemption – Redmont
Railway Company, Inc. – Line of Mississippi-Alabama Railroad Authority
FD No. 35757

Dear Director Campbell:

Per the request of your office, there follows a Corrected Verification and Certificate of Compliance (Exhibit B to the above-referenced Notice of Exemption), clarifying that the combined revenues of the proposed new line and those of the acquiring carrier (Mississippi Central Railroad Co.), will not result in the creation of a Class I or Class II carrier.

This will also confirm that the reference to "KCS" in the "Brief Summary of the Transaction," on page 4 of the Notice, refers to Kansas City Southern Railway Company.

Please call me if you have any further questions.

Sincerely yours,

Daniel A. LaKemper,
General Counsel.
