Re: Finance Docket No. 35801 – Spencer N. Wendelin – Continuance and Control –  
RMW Ventures, LLC – Verified Notice of Exemption Nunc Pro Tunc under 49  
C.F.R. §1180.2(d)(2).

Dear Ms. Brown:

The purpose of this letter is to request that this Notice of Exemption be amended to include continuance and control authorization for not only RMW Ventures, LLC but also Big Four Terminal Railroad, LLC in order to bring both entities into compliance with the Board's regulations at 49 C.F.R. §1180.2(d)(2) and (3).

In that regard, I can represent on behalf of my clients that this continuance and control exemption pertains to nonconnecting carriers where the railroads will not connect with each other or any railroads in their corporate family, the continuance and control is not part of a series of anticipated transactions that would connect the railroads with each other or any railroad in their corporate family and the transaction does not involve a Class I carrier. Furthermore, this continuance and control transaction will not result in adverse changes in service levels, significant operational changes or a change in the competitive balance with carriers outside the corporate family.
