Dear Mr. Urban:

On July 15, 2014, the Board granted a motion for protective order in Docket No. EP 665 (Sub-No.1), *Rail Transportation of Grain, Rate Regulation Review*. In anticipation of a protective order, the National Grain and Feed Association designated as Highly Confidential certain information in the study it submitted in this proceeding. Given that classification, I should not have granted you authority to review the unredacted version of that study, or unlimited authority to review any other study in this proceeding, including those that may contain Highly Confidential information. Therefore, the authority granted by letter dated June 30, 2014, is hereby rescinded. Please return or destroy any Highly Confidential copies in your possession.

If you have any further questions or concerns please contact Paul Aguiar @ (202) 245-0323.

Sincerely,

William F. Huneke
Director & Chief Economist
