NOTICE OF INTENT TO PARTICIPATE

Please enter the appearance of Vincent P. Szeligo, Esquire, counsel for the U.S. Clay Producers Traffic Association ("Clay Producers"), and note the intent of Clay Producers to participate in this proceeding as a party of record. We request that the name of the undersigned be included on the official service list for the receipt of all pleadings and decisions in this proceeding.

Clay Producers include no comments at this time with their Notice of Intention to Participate, but intend to study the application and discuss with its Members their possible concerns. Clay Producers need to understand whether the combination has benefits for their clay shipments originating by NS in Georgia to points in New England. In particular, Clay Producers are interested to knowing whether the transaction is likely to result in service improvements, or instead result in circuitous and more expensive routing.

Respectfully submitted,

/s/Vincent P. Szeligo
