**Docket No. NOR 42142**

**JOINT STATUS REPORT**

Pursuant to the April 2, 2015 Order issued by the Director of Proceedings in the above-captioned action (“Order”), Complainant Consumers Energy Company (“Consumers”) and Defendant CSX Transportation, Inc. (“CSXT”) jointly submit this status report regarding the discovery issues raised in Consumers’ March 16, 2015 Motion to Compel (“Motion”).

The Order directed the parties to meet and confer on the discovery issues raised in Consumers’ Motion and to subsequently inform the Board whether any outstanding issues from that Motion could not be resolved by the parties. Pursuant to the Board’s direction, the parties have conferred about the discovery issues encompassed by Consumers’ Motion and have reached agreements that resolve each of those issues. There are no remaining issues from the Motion that require Board intervention. Consumers therefore withdraws its Motion, and CSXT withdraws its Reply thereto, in consideration of the parties’ agreements to resolve discovery issues.
