Re: *Petition for Rulemaking to Adopt Revised
Competitive Switching Rules, EP 711*

Dear Ms. Brown:

Pursuant to the Board's decision served on August 13, 2013 in the above-referenced proceeding, Entergy Arkansas, Inc., Kansas City Power & Light Co., Seminole Electric Cooperative, Inc., and Wisconsin Electric Power Co. (d/b/a We Energies) (collectively, "Joint Coal Shippers") hereby provide notice of their intent to participate in the Board's public hearing scheduled for October 22, 2013.

The undersigned will represent Joint Coal Shippers at the hearing. Joint Coal Shippers' testimony will focus primarily on the interplay between any new or modified mandatory switching remedy and the established rules and principles relevant to market dominance determinations, as discussed in Joint Coal Shippers' prior filings in this proceeding. Joint Coal Shippers respectfully submit that the Board should make clear that any changes to the competitive switching regulations that it may adopt will not alter its market dominance standards and principles. Joint Coal Shippers request that they be allotted five (5) minutes to address the Board.

Respectfully submitted,

Stephanie M. Archuleta
