Re: STB Finance Docket No. 35861, California High-Speed Rail Authority;
Opposition to Petition for Declaratory Order

Dear Ms. Brown:

I hereby register my opposition to Petitioner California High-Speed Rail Authority's Petition for Declaratory Order, submitted for filing on October 9, 2014. I am a resident of California, a registered voter in the State of California, and a stakeholder in the California High Speed Rail Project.

Furthermore, Ms. Brown, Eli Ross of your office today informed an individual submitting a response that the filing deadline was 2 pm our time. I believe our conversation of a few months ago without question clarified this issue. You informed me that midnight local time was the actual filing deadline. If this is not so then we have a major issue as I have informed a number of individuals that midnight of the closing day is the submission deadline. Please provide your response to my email address below on this matter. Additionally, I am submitting this response via E-Filing before midnight local time. Moreover, I am requesting it be entered into the record based on our previous communication.

Sincerely,

Alan Scott
