**REPORT ON THE PARTIES' CONFERENCE
PURSUANT TO 49 C.F.R. § 1111.10(b)**

Counsel for the parties have conducted a conference to discuss procedural and discovery matters in this case pursuant to 49 C.F.R. § 1111.10(b).

The results of their conference are summarized below.

1. The parties have agreed on a procedural schedule for this case. The proposed schedule is attached hereto as Appendix A. The proposed schedule is somewhat longer than the “standard” schedule adopted by the Board for use in stand-alone cost rate cases, as set forth in 49 C.F.R. § 1111.8. However, the Board has recognized that the § 1111.8 schedule has not been adhered to in recent SAC cases as these cases have become far more complex and time consuming since it was adopted in 1998. *See Seminole Electric Cooperative, Inc. v. CSX Transportation, Inc.*, STB Docket No. 42110, slip. op. at 2-3 (STB served December 11, 2008). The length of

the proposed schedule in this case is a result, in part, of the fact that several of the consultants involved in this case are also involved in other stand-alone cost cases currently pending before the Board in which evidence has not yet been filed, and the fact that several evidentiary due dates fall shortly before holidays, which reduces the actual time available to prepare responsive pleadings. The schedule set forth in Appendix A was crafted in a collaborative process with these issues in mind, and gives particular consideration to the need to space the due dates out in a reasonable manner to accommodate each party's concerns.

The parties also note that their agreement on the dates set forth in Appendix A is conditioned upon the assumption that the Board will issue a decision in Docket No. 42127 on the question of the scope of reparations in this case a reasonable time in advance of the due date for IPA's Opening Evidence. The Board's resolution of that issue will impact the starting date for the operations of the stand-alone railroad in this case. In the event that the Board has not acted sufficiently in advance of the proposed Opening Evidence due date, the parties reserve the right to seek a modification of the schedule in this case.

2. The parties have agreed on a form of protective order to govern the production and use of confidential information. The proposed protective order, which is attached hereto as Appendix B, is based largely upon the protective order adopted by the Board in *Intermountain Power Agency v. Union Pacific R.R.*, STB Docket No. 42127 (STB served February 3, 2009), with the addition of a single new paragraph (*i.e.*, Paragraph 13) to permit the use of materials from Docket No. 42127.

The draft Protective Order also incorporates certain SSI-related elements from the protective order the Board adopted in *Sunbelt Chlor Alkali Partnership v. Norfolk Southern Ry. and Union Pac. R.R.*, STB Docket No. 42130 (STB served Sept. 6, 2011). The parties request that the protective order set forth in Appendix B be adopted and entered by the Board in this proceeding.

3. Counsel for the parties also agreed that the parties will serve all papers on their Washington counsel by hand-delivery, on in-house counsel by overnight delivery, and, to the extent practicable, on all counsel by email.

PROTECTIVE ORDER

1. Any party producing information, data, documents, or other material (hereinafter collectively referred to as “material”) in discovery to another party to this proceeding, or submitting material in pleadings, that the party in good faith believes reflects proprietary or confidential information, may designate and stamp such material as “CONFIDENTIAL,” and such material must be treated as confidential. Such material, any copies, and any data or notes derived therefrom:
 - (a) Shall be used solely for the purpose of this proceeding and any judicial review proceeding arising herefrom, and not for any other business, commercial, or competitive purpose.
 - (b) May be disclosed only to employees, counsel, or agents of the party requesting such material who have a need to know, handle, or review the material for purposes of this proceeding and any judicial review proceeding arising herefrom, and only where such employee, counsel, or agent has been given and has read a copy of this Protective Order, agrees to be bound by its terms, and executes the attached Undertaking for Confidential Material prior to receiving access to such materials.
 - (c) Must be destroyed by the requesting party, its employees, counsel, and agents, at the completion of this proceeding and any judicial review proceeding arising herefrom. However, counsel and consultants for a party are permitted to retain file copies of all pleadings which they were authorized to review under this Protective Order, including Paragraph 11.
 - (d) If contained in any pleading filed with the Board shall, in order to be kept confidential, be filed only in pleadings submitted in a package clearly marked on the outside “Confidential Materials Subject to Protective Order.” See 49 C.F.R. § 1104.14.

2. Any party producing material in discovery to another party to this proceeding, or submitting material in pleadings, may in good faith designate and stamp particular material, such as material containing shipper-specific rate or cost data or other competitively sensitive information, as “HIGHLY CONFIDENTIAL.” If any party wishes to challenge such designation, the party may bring such matter to the attention of the Board. Material that is so designated may be disclosed only to outside counsel or outside consultants of the party requesting such materials who have a need to know, handle, or review the materials for purposes of this proceeding and any judicial review proceeding arising herefrom, provided that such outside counsel or outside consultants

have been given and have read a copy of this Protective Order, agree to be bound by its terms, and execute the attached Undertaking for Highly Confidential Material prior to receiving access to such materials. Material designated as “HIGHLY CONFIDENTIAL” and produced in discovery under this provision shall be subject to all of the other provisions of this Protective Order, including without limitation paragraph 1.

3. Any party producing in discovery railroad traffic data that has been designated Sensitive Security Information (“SSI”) by the United States Department of Transportation (“DOT”) or the United States Department of Homeland Security (“DHS”) shall produce such material in accordance with governing DOT and DHS regulations, rules and policies, including but not necessarily limited to 49 C.F.R. pts. 15 and 1520, and the terms and conditions set forth in the FRA Administrator’s “Authorization to Share Sensitive Security Information (SSI) With Complainants and Other Parties Involved in Surface Transportation Board (STB) Administrative Proceedings,” (July 29, 2011), and SSI Order 2011-06-FRA-01 (July 29, 2011).^{*} In addition to other applicable conditions and requirements, rail traffic SSI shall be produced only to those outside counsel or consultants to a Party who, prior to production, have (i) reviewed and executed an Undertaking for Highly Confidential Material; and (ii) reviewed and executed an “Undertaking for SSI Material.”
4. In the event that a party produces material which should have been designated as “CONFIDENTIAL” or “HIGHLY CONFIDENTIAL” and inadvertently fails to designate the material as “CONFIDENTIAL” or “HIGHLY CONFIDENTIAL,” the producing party may notify the other party in writing within 5 days of discovery of its inadvertent failure to make the confidentiality designation. The party who received the material without the confidentiality designation will return the non-designated portion (including any and all copies) or destroy it, as directed by the producing party, or take such other steps as the parties agree to in writing. The producing party will promptly furnish the receiving party with properly designated material.
5. In the event that a party inadvertently produces material that is protected by the attorney-client privilege, work product doctrine, or any other privilege, the producing party may make a written request within a reasonable time after the producing party discovers the inadvertent disclosure that the other party return the inadvertently produced privileged document. The party who received the inadvertently produced document will either return the document to the producing party or destroy the document immediately upon receipt of the written request, as directed by the producing party. By returning or destroying the document, the receiving party is not conceding that the document is

^{*} A party producing rail traffic information containing or constituting SSI in discovery or submitting such material in pleadings should also comply with other applicable requirements of DOT and DHS SSI regulations governing the use and handling of SSI, including the SSI marking requirements set forth in 49 C.F.R. § 15.13 or, if that is not practicable, the marking requirements of July 29, 2011 memorandum from Federal Railroad Administration Administrator Joseph C. Szabo titled “Authorization to Share Sensitive Secrecy Information (SSI) With Complainants and Other Parties Involved in Surface Transportation Board (STB) Administrative Proceedings.”

privileged and is not waiving its right to later challenge the substantive privilege claim, provided that it may not challenge the privilege claim by arguing that the inadvertent production waived the privilege.

6. If any party intends to use “CONFIDENTIAL” and/or “HIGHLY CONFIDENTIAL” material at hearings in this proceeding, or in any judicial review proceeding arising herefrom, the party so intending shall submit any proposed exhibits or other documents setting forth or revealing such “CONFIDENTIAL” and/or “HIGHLY CONFIDENTIAL” material to the Board, or the court, as appropriate, with a written request that the Board or the court: (a) restrict attendance at the hearings during discussion of such “CONFIDENTIAL” and/or “HIGHLY CONFIDENTIAL” material; and (b) restrict access to the portion of the record or briefs reflecting discussion of such “CONFIDENTIAL” and/or “HIGHLY CONFIDENTIAL” material in accordance with the terms of this Protective Order.
7. If any party intends to use “CONFIDENTIAL” and/or “HIGHLY CONFIDENTIAL” material in the course of any deposition in this proceeding, the party so intending shall so advise counsel for the party producing the materials, counsel for the deponent, and all other counsel attending the deposition, and all portions of the deposition at which any such “CONFIDENTIAL” and/or “HIGHLY CONFIDENTIAL” material is used shall be restricted to persons who may review the material under this Protective Order. All portions of deposition transcripts and/or exhibits that consist of or disclose “CONFIDENTIAL” and/or “HIGHLY CONFIDENTIAL” material shall be kept under seal and treated as “CONFIDENTIAL” and/or “HIGHLY CONFIDENTIAL” material in accordance with the terms of this Protective Order.
8. Each party is ordered to produce to the other party rail transportation contracts or other documents or information which, because of confidentiality provisions, cannot be produced without a Board order directing their production to the extent that (1) the other party has requested that the contracts be produced in discovery, and (2) the parties agree that the requested contracts would be properly discoverable in this proceeding but for the confidentiality provision(s). Such documents shall be required to be produced only after the other party(ies) to a contract (or other document subject to a confidentiality provision) who are entitled to prior notice have been provided written notice and a reasonable opportunity to object to that production and obtain a ruling from the Board on that objection. Any documents or contracts produced pursuant to this Section 8 shall be treated as “HIGHLY CONFIDENTIAL” and shall otherwise be subject to the terms of this Protective Order. To the extent that material reflecting the terms of contracts, shipper-specific traffic data, other traffic data, or other proprietary information is produced by a party in this or any related proceedings and is held and used by the receiving person in compliance with this Protective Order, such production, disclosure, and use of the material and of the data that the material contains will be deemed essential for the disposition of this and any related proceedings and will not be deemed a violation of 49 U.S.C. § 11904.

9. Except for this proceeding, the parties agree that if a party is required by law or order of a governmental or judicial body to release “CONFIDENTIAL” or “HIGHLY CONFIDENTIAL” material produced by the other party or copies or notes thereof as to which it obtained access pursuant to this Protective Order, the party so required shall notify the producing party in writing within 3 working days of the determination that the “CONFIDENTIAL” material, “HIGHLY CONFIDENTIAL” material, or copies or notes are to be released, or within 3 working days prior to such release, whichever is soonest, to permit the producing party the opportunity to contest the release.
10. Information that is publicly available or obtained outside of this proceeding from a person with a right to disclose it shall not be subject to this Protective Order even if the same information is produced and designated as “CONFIDENTIAL” or “HIGHLY CONFIDENTIAL” in this proceeding.
11. Each party has a right to view its own data, information and documentation (i.e., information originally generated or compiled by or for that party), even if that data, information and documentation has been designated as “HIGHLY CONFIDENTIAL” by a producing party, without securing prior permission from the producing party. If a party (the “filing party”) files and serves upon the other party (the “reviewing party”) a pleading or evidence containing the “HIGHLY CONFIDENTIAL” material of the filing party, the filing party shall also contemporaneously provide to outside counsel for the reviewing party a list of the “HIGHLY CONFIDENTIAL” information of the filing party contained in the pleading that must be redacted from the “HIGHLY CONFIDENTIAL” version prior to review by the In-house Personnel of the reviewing party.
12. Any party filing with the Board a “CONFIDENTIAL” or “HIGHLY CONFIDENTIAL” pleading in this proceeding should simultaneously file a public version of the pleading.
13. The use in this proceeding or in any judicial proceeding arising herefrom of “CONFIDENTIAL”, “HIGHLY CONFIDENTIAL”, or “SSI” material produced or filed in Docket No. 42127 shall not constitute a violation of the Protective Order the Board served in Docket No. 42127 on January 27, 2011 or any other restrictions on the use of that material as long as the material is treated as though the “CONFIDENTIAL”, “HIGHLY CONFIDENTIAL”, or “SSI” designation was made pursuant to Paragraph 1, 2, or 3 of this Protective Order. The review, use, and disposition of such material shall be subject to this Protective Order in all respects.

UNDERTAKING
HIGHLY CONFIDENTIAL MATERIAL

As outside [counsel] [consultant] for _____, for which I am acting in this proceeding, I have read the Protective Order served on _____ [date], governing the production of confidential documents in STB Docket No. 42136, understand the same, and agree to be bound by its terms. I further agree not to disclose any data, information or material designated “HIGHLY CONFIDENTIAL” to any person or entity who: (i) is not eligible for access to “HIGHLY CONFIDENTIAL” material under the terms of the Protective Order, or (ii) has not executed a “HIGHLY CONFIDENTIAL” undertaking in the form hereof. I also understand and agree, as a condition precedent to my receiving, reviewing, or using copies of any documents designated “HIGHLY CONFIDENTIAL,” that I will limit my use of those documents and the information they contain to this proceeding and any judicial review proceeding arising herefrom, that I will take all necessary steps to assure that said documents and information will be kept on a confidential basis by any outside counsel or outside consultants working with me, that under no circumstances will I permit access to said documents or information by personnel of my client, its subsidiaries, affiliates, or owners, and that at the conclusion of this proceeding and any judicial review proceeding arising herefrom, I will promptly destroy any copies of such designated documents obtained or made by me or by any outside counsel or outside consultants working with me, provided, however, that outside counsel and consultants may retain file copies of pleadings filed with the Board. UNDERTAKING
HIGHLY CONFIDENTIAL SECURITY SENSITIVE INFORMATION AND MATERIAL

I _____ have read FRA Order 2011-06-FRA-01 designating certain railroad traffic information as Sensitive Security Information (“SSI”) and the July 29, 2011 memorandum from FRA Administrator Joseph C. Szabo titled “Authorization to Share Sensitive Security Information (SSI) With Complainants and Other Parties Involved in Surface Transportation Board (STB) Administrative Proceedings” (hereafter “July 29 Memorandum”). I agree to be bound by the terms of FRA Order 2011-06-FRA-01 and the July 29 Memorandum for rail traffic SSI data or information produced in discovery or submitted as evidence (including evidence or materials derived or compiled from SSI produced in this proceeding) in STB Docket No. NOR 42136. I have also executed an Undertaking for Highly Confidential Material, and acknowledge that all SSI produced in this proceeding is also designated HIGHLY CONFIDENTIAL and is subject to all of the requirements and limitations that apply to HIGHLY CONFIDENTIAL material, as well as the additional requirements set forth in this undertaking.

I have been advised and hereby acknowledge that Union Pacific Railroad Company’s conditional disclosure of SSI data or information in STB Docket No. NOR 42136 pursuant to FRA Order 2011-06-FRA-01 and the July 29 Memorandum makes me a “covered person” within the meaning of 49 C.F.R. §§ 15.7(m) and 1520.7 as to any such SSI information I receive, access, review, and/or use. I understand my duties and responsibilities as a “covered person” under federal law and applicable regulations (including but not limited to 49 C.F.R. pts. 15 and 1520), and will comply with those responsibilities. I understand that unauthorized disclosure of SSI may result in civil penalty or other action. Pursuant to 49 C.F.R. §§ 15.19 and 1520.19, I agree to destroy all SSI data or information in my possession, custody, or control after the conclusion of STB Docket No. NOR 42136, including the final disposition of any appeals of the STB final decision in that docket.
