Dear Ladies and Gentlemen:

The Town of La Veta wishes to voice its concerns regarding the transport of low level radioactive wastes through the Town of La Veta.

Like the citizens of Conejos, the potential effects to public health and safety and the environment of our Town is extremely important to the Town Board and its citizens.

The Town would ask that you review carefully the actions by the San Luis and Rio Grande Railroad in regard to the Clean Railroad Act.

Very truly yours,

**Donald G. Keairns
Mayor**
