Re: Finance Docket No. 35570, *Port Rail Link, Inc. -- Acquisition and Operation Exemption -- Rail Lines of Union Pacific Railroad Company and The Lake Charles Harbor and Terminal District in Calcasieu Parish, LA*

Dear Ms. Brown:

At the request of Board Staff, this is to clarify that the differing designations of milepost numbers in the Notice of Exemption in the above proceeding result from the different ownership of the segments of rail line leased by Port Rail Link, Inc., i.e., the 2.3-mile segment shown in white in Appendix 1-A is owned by Union Pacific Railroad Company (UP) and is identified by means of UP milepost numbers, while the 2.8-mile segment shown in blue in that Appendix is owned by the Lake Charles Harbor and Terminal District and is identified by means of District milepost numbers. The leased line segments connect at UP Milepost No. 9.45, which is District Milepost No. 2.8.

Very truly yours,

Tom McFarland
