Dear Cynthia Brown:

**Dot Wiggins**  
9201 Grandmason  
Eagle, Idaho 83616  
208-286-7620

This letter is filed on behalf of Friends of Weiser River Trail, Inc., (FWRT), who filed a letter with the Surface Transportation on November 29, 2012, seeking to modify or vacate, in part, the Notice of Interim Trail Use (NITU) served in this Docket No. AB-433 (Sub-No. 2X).

**Dan Dickerson**  
105 Wild Rose Circle  
Fruitland, Idaho 83619

On December 27, 2012, the STB issued the attached decision that clarified that any right-of-way interests that exist or existed outside of the Line's 100-foot wide right-of-way in Starkey Hot Springs that was surveyed in May 2009 are no longer part of the NITU in this proceeding and may be abandoned.

**Patty Heldt**  
3447 Rush Creek Road  
Cambridge, Idaho 83610  
208-257-3564

For these reasons, FWRT will quitclaim to the adjoining landowner any interests that FWRT may have acquired from Union Pacific Railroad that lie outside of the surveyed 100 foot wide right-of-way in Starkey Hot Springs that was surveyed in May 2009. This action will consummate the abandonment process.

Sincerely yours,

Shirley S. Atteberry, President
