BEFORE THE
SURFACE TRANSPORTATION BOARD
AB-303 (SUB-NO. 36X)
WISCONSIN CENTRAL LTD. --
NOTICE OF EXEMPTION FOR ABANDONMENT--
IN BROWN COUNTY, WISCONSIN

**WISCONSIN DEPARTMENT OF NATURAL RESOURCES
MOTION TO EXTEND TIME TO
NEGOTIATE A NOTICE OF INTERIM TRAIL USE**

BACKGROUND

On Service Date November 10, 2010, the Surface Transportation Board (the Board) served notice that Wisconsin Central, Ltd. (WCL) filed with the Board a verified notice of exemption pursuant to 49 U.S.C. § 10502 and the Board's regulations at 49 C.F.R. § 1152 subpart F to abandon a 1.92-mile railroad line starting at milepost 3.88, in the Village of Howard, WI, and ending at milepost 5.8, on the Oneida Tribe of Indians of Wisconsin Reservation in Brown County, WI. This portion of the line traverses United State Postal Service Zip Code 54307.

On November 9, 2010, the Wisconsin Department of Natural Resources (WisDNR) signed a Statement of Willingness to Accept Financial Responsibility pursuant to 49 C.F.R. § 1152.29. This statement is for the segment of WCL railroad from milepost 3.88 to milepost 4.8, a total of approximately 0.92 miles. This statement of willingness does not include any portion of the line segment that is on the Oneida Tribe of Indians of Wisconsin Reservation in Brown County, WI.

The Board issued a NITU under 49 C.F.R. § 1152.29, which was served on December 9, 2010, allowing WisDNR 180 days until June 7, 2011, to negotiate a rail banking agreement with

WCL. By decision served May 31, 2011, the Board extended the negotiating period for 180 days to December 4, 2011, because negotiations were continuing in good faith, but had not concluded.

On November 17, 2011, WisDNR (by petition filed by the Wisconsin Department of Transportation) requested that the negotiation period be extended for another 180 days for ongoing negotiations to proceed. The Board granted this request by Decision served December 2, 2011, and extended the negotiating period to June 1, 2012.

In January 2012, the parties executed an Option to Purchase, but had not concluded negotiations. Therefore, WisDNR requested that the negotiation period be extended to continue negotiations by petition filed May 14, 2012. The Board granted this request by Decision served May 18, 2012.

Negotiations have continued since then, but have not yet concluded. This subject corridor is closely related to a nearby highway project, and tribal lands. Thus, all parties' interests and schedules must be observed. The transaction has not yet been completed, and more time is needed to conclude negotiations.

Thus, WisDNR respectfully requests that the negotiating period be extended for another 180 days for the approval processes to conclude and the transaction to be completed.

MOTION

Therefore, WisDNR moves that the period prescribed to negotiate an interim trail use/rail banking agreement be extended for 180 days for the rail corridor between milepost 3.88 to milepost 4.08, a total of approximately 0.92 miles in Brown County, Wisconsin.

Respectfully submitted,

Kathleen Chung
