Re: *Ballard Terminal Railroad Company, LLC – Acquisition and Operation
Exemption – Woodinville Subdivision*, Finance Docket No. 35731

BNSF Railway Company – Abandonment Exemption – In King County, WA,
Docket No. AB-6 (Sub-No. 465X)

**Emergency Motion of the City of Kirkland, Washington, King County,
Washington, and Central Puget Sound Regional Transit Authority for
Resolution of Discovery Dispute**

Dear Ms. Brown:

The City of Kirkland, Washington, King County, Washington, and Central Puget Sound Regional Transit Authority (collectively, the “Regional Parties”) hereby withdraw the Emergency Motion for Resolution of Discovery Dispute, filed earlier today in the above named proceeding. Counsel for the Regional Parties and Ballard Terminal Railroad Company, L.L.C. (“BTR”) have conferred and believe they have come to an understanding with respect to the discovery issues addressed in the Emergency Motion. However, the Regional Parties reserve the right to file a subsequent emergency motion seeking the same relief if issues relating to the conduct of depositions arise again.

Please do not hesitate to contact me if you have any questions.

Sincerely,

Allison I. Fultz
