RE: STB Docket No AB-414 (3x), Deactivation of the Iowa Trails Council

The Iowa Natural Heritage Foundation has worked with Jasper County to request the change of sponsorship for the 5.6 mile section of discontinued railbed located between mile post 135 near Prairie City, Iowa and mile post 129.4 located near Monroe, Iowa. It is our understanding that all initial parties involved in the project need to concur with this change for it to be valid- including the Iowa Trails Council.

This letter is to serve as official notice that the Iowa Trails Council, for all intent and purposes is no longer an active organization in Iowa. Their board has disbanded and therefore cannot provide the requested concurrence.

Sincerely,

A handwritten signature in blue ink that reads "Andrea Chase".

Andrea Chase  
Trails Coordinator
