Re: Finance Docket No. 32760 (Sub-No. 46)  
BNSF Railway Company – Terminal Trackage Rights – Kansas  
City Southern Railway Company and Union Pacific Railroad  
Company

Dear Ms. Brown:

On December 16, 2014, Union Pacific Railroad Company (“UP”), in the above captioned proceeding, filed a Motion for Protective Order. UP seeks to modernize the protective order originally issued by the Board in 1995 to account for changes that have been made in the standard form of a protective order since that time, including changes in the Board’s rules and in the discovery process. The purpose of this letter is to advise the Board that KCS does not object to the protective order as proposed by UP. If there are any questions concerning this filing, please contact me at the address and phone listed above or at [wmullins@bakerandmiller.com](mailto:wmullins@bakerandmiller.com).

Respectfully submitted,

William A. Mullins
