Re: Central Railroad of Indianapolis Abandonment in Howard County, Indiana, Docket No. AB-511 (Sub-No. 6X)

Dear Chief:

This request is filed on behalf of The City of Kokomo, which is a city in Howard County, Indiana.

The City of Kokomo requests an extension of 180 days to the negotiating periods ordered in the Decision ID 43543 on December 24, 2013. This extension is required due to delays in finalizing a negotiated agreement between Kokomo and Central Railroad. This extension will allow the City of Kokomo and Central Railroad of Indianapolis with adequate time to sufficiently negotiate and execute a trail use agreement.

Sincerely,

A handwritten signature in cursive script, appearing to read "Carey Stranahan".
