**JAMES RIFFIN’S MOTION FOR STAY**

**CERTIFICATE OF SERVICE**

I hereby certify that on or before the 25<sup>th</sup> Day of October, 2016, a copy of the foregoing Appendix to James Riffin’s Motion for Stay, was served on all of the parties in this proceeding, either via e-mail, or via U.S. Postal Service, postage prepaid.

FROM: James Riffin P.O. Box 4044 Timonium, MD 21094 (443) 414-6210  
[jimriffin@yahoo.com](mailto:jimriffin@yahoo.com)

TO: Yahoo Custodian of Records 701 First Avenue Sunnyvale, CA 94089

RE: [jimriffin@yahoo.com](mailto:jimriffin@yahoo.com)

DATE: October 25, 2016

Dear Custodian of Records:

I am both faxing this request [to (408) 349-7941], and mailing this request via USPS.

On **August 25, 2016**, I was ordered to forward to [c.montange@frontier.com](mailto:c.montange@frontier.com) (the lawyer for "City et al.") and to [rmjenkins@mayerbrown.com](mailto:rmjenkins@mayerbrown.com) (the lawyer for "Consolidated Rail Corporation")

"all e-mail communications between him [James Riffin] and the LLCs [[dehorgan@lawwmm.com](mailto:dehorgan@lawwmm.com); [shyman@shyman.net](mailto:shyman@shyman.net); [vickie@shyman.net](mailto:vickie@shyman.net); [embankment@shyman.net](mailto:embankment@shyman.net).] that Mr. Riffin retains in his possession." See p. 2 of the attached Surface Transportation Board Order.

On **August 25, 2016**, I typed the names "Hyman" and "Horgan" into Yahoo's e-mail search engine. A large number of e-mails appeared. I clicked on each e-mail, thus opening the e-mail, then forwarded each e-mail to c.montange and to rmjenkins (and to four other e-mail recipients).

I now **must prove** that "**all** e-mail communication between [me] and the LLCs [horgan / hymans], that **remained** in my e-mail account" **on August 25, 2016**, I **in fact e-mailed** to c.montange and to rmjenkins.

### REQUEST ONE

To make the required proof, I need a **certified / verified** print-out of **all** of the e-mails **remaining** in my account on **August 25, 2016**, between me and the LLCs [Mr. Horgan, Steve Hyman and Vicki Hyman]. I have appended a copy of the Horgan / Hyman e-mails that Yahoo's search engine listed as remaining in my e-mail account on October 24, 2016. I would ask that you **either:**

- A. Print out a list of **all** Horgan / Hyman e-mails remaining in my Yahoo e-mail account **on August 25, 2016**, then **certify** that the list so printed contains **all** of the Horgan / Hyman e-mails remaining in my Yahoo e-mail account **on August 25, 2016**; **OR**
- B. **Certify** that the appended list of Horgan / Hyman e-mails comprise **all** of the Horgan / Hyman e-mails remaining in my Yahoo e-mail account on August 25, 2016.  
(Whichever is more convenient for you.)

## REQUEST TWO

I need a certified list of **all** of the e-mails that I **forwarded** to c.montange@frontier.com, and that I **forwarded** to rmjenkins@mayerbrown.com on **August 25, 2016**.

## REQUEST THREE

I also need a **certified / verified** print-out of what 11 specific e-mails contain. I have appended a copy of the eleven e-mails. I would ask that you **either**:

- A. Print out a **certified** copy of the eleven e-mails that I have appended; **OR**
- B. **Certify** that the eleven e-mails that I have appended, are **precisely identical** to the e-mails contained in my Yahoo e-mail account.

## FEES

I understand that Yahoo charges a fee for the time it takes Yahoo to provide the requested information. Please advise me what the fee would be, how Yahoo accepts payment (credit card?), and the amount of any deposit Yahoo wants before completing the task.

Please either telephone me at **(443) 414-6210**, or e-mail me ([jimriffin@yahoo.com](mailto:jimriffin@yahoo.com)) with the fee-information.

I need to submit the "e-mail proof" to the Surface Transportation Board (a federal agency) by **October 31, 2016**. If there is an extra fee for providing 'expedited service,' please tell me what the fee is, so that I can order 'expedited' service.

Thank you for your time and attention to this request.

SERVICE DATE – LATE RELEASE AUGUST 25, 2016

SURFACE TRANSPORTATION BOARD

ORDER OF PRESIDING ADMINISTRATIVE LAW JUDGE CONFIRMING ORDER TO  
REQUIRE JAMES RIFFIN TO RESPOND TO CERTAIN DISCOVERY REQUESTS

Docket No. AB 167 (Sub-No. 1189X)

CONSOLIDATED RAIL CORPORATION—ABANDONMENT EXEMPTION—IN  
HUDSON COUNTY, NJ

Docket No. AB 55 (Sub-No. 686X)

CSX TRANSPORTATION, INC.—DISCONTINUANCE OF SERVICE EXEMPTION—IN  
HUDSON COUNTY, NJ

Docket No. AB 290 (Sub-No. 306X)

NORFOLK SOUTHERN RAILWAY COMPANY—DISCONTINUANCE OF SERVICE  
EXEMPTION—IN HUDSON COUNTY, NJ

Decided: August 24, 2016

On July 5, 2016, the City of Jersey City, Rails to Trails Conservancy, and Pennsylvania Railroad Harsimus Stem Embankment Preservation Coalition (collectively, City, et al.) filed a Second Motion to Compel James Riffin to Respond to Discovery (Document) Requests (Second Motion to Compel). The Second Motion to Compel requested an order directing Mr. James Riffin to respond fully and completely to certain document requests.

On July 25, 2016, the LLC Intervenors (LLCs)<sup>1</sup> filed a reply opposing the Second Motion to Compel. On July 28, 2016, Mr. Riffin filed a reply opposing the Second Motion to Compel. By order, decided August 8, 2016, oral arguments on the Second Motion to Compel were scheduled for Wednesday, August 24, 2016.

During the August 24, 2016 oral arguments, City, et al. and James Riffin entered an agreement into the record that would dispose of the Second Motion to Compel. The Presiding Administrative Law Judge ordered compliance with the agreement, and the record reflects that order. No participant objected to memorializing the agreement. This order confirms the Presiding Administrative Law Judge's order during oral arguments, and a summary of the agreement is set forth below.

---

<sup>1</sup> The LLCs consist of 212 Marin Boulevard, LLC; 247 Manila Avenue, LLC; 280 Erie Street, LLC; 317 Jersey Avenue, LLC; 354 Cole Street, LLC; 389 Monmouth Street, LLC; 415 Brunswick Street, LLC; and 446 Newark Avenue, LLC.

It is ordered:

1. Mr. Riffin will provide City, et al. and Consolidated Rail Corporation with all e-mail communications between him and the LLCs that Mr. Riffin retains in his possession. Mr. Riffin will also supply City, et al. the docket numbers for three (3) bankruptcy proceedings involving Mr. Riffin. Mr. Riffin shall comply with this order by close of business on Friday, August 26, 2016.

2. This decision is effective on its service date.

By the Board, John P. Dring, Administrative Law Judge.

Steve -

Attached is an updated presentation on the Pending and Proposed Litigation so that you can see where we are now, at the middle of March. We have followed on the track last laid out in our February meeting and as presented in a similar presentation of February 11, 2016.

In that interim period we have made progress. That, with developments soon to come as noted in the presentation, should provide us with additional funds in hand, and additional advantages against the City. We have not heard from Conrail, as Broder promised (no surprise), on its decision on redeeming the NZ Funding tax lien on its Lot 120 property. We and you have also spoken to Keith Bonche who will begin the foreclosure on behalf of NZ Funding, in coordination with us so that you get all of the potential advantages, as well as the money. This action may, depending on what the City does in response, hold the possibility of defeating the city on its claims under Title 48. NJSA 48:12-125.1; something you had long sought in order to lift the stay on the civil rights litigation.

P.2 - 3/19/16 SHYMAN

The three pending state court matters, individually and collectively, are designed to thwart the City's plans to acquire the property through any STB action, and to establish a basis to cut off its financing for its STB activities. Of course, if the City's OFA ordinance is invalidated, for a second time, that should be very helpful in advancing resolution of the STB process.

Subsequent to receiving the results and outcomes of these three cases over the coming months, additional possibilities may be forthcoming to thwart the City's efforts to further delay the STB proceedings, and to avoid having to face the civil rights litigation by the LLCs. Also noted in the outline is the potential for bringing claims against Conrail.

The months of January and February have been quite demanding. You can discern this from the attached presentation and from the invoice statements for each of those two months which we are concurrently sending to you. We had advised you of our confidence in our recommended approaches and, for that reason, among others, have not charged for the March 2, 2016 all-day meeting with the STB in Washington, DC, attended by Dan Horgan and Eric McCullough. Nonetheless, we have devoted substantial time and effort in these complex matters and need to resolve our fee arrangement. The current two months of invoices are based on our current agreement that has not been changed. We would like to work with you to arrive at an acceptable accommodation on fees, but we cannot do that by ourselves. Let's meet with you and Carmine to meet and discuss this further as soon as possible.

Thanks,

Ken

Steve, I am recovering nicely from triple bypass surgery and am getting back into the abandonment game. A NARPO member from Indiana has raised a question about Conrail abandonments that has got me investigating the Conrail abandonment issue. Was your abandonment done under the Conrail Section 308 NERSA laws? Can you give me a cite of the STB/ICC abandonment application? I have been reading case law on Conrail Section 308 abandonments, and if your was one of those, then your attorneys have missed a huge loophole in the federal laws. Section 308 says that the ICC/STB cannot deny a Conrail abandonment except for an offer of financial assistance and also a 3rd Circuit court case says that trail use cannot be imposed by the ICC/STB as the wording of Section 308 does not allow anything except an offer of financial assistance.

Your thoughts.
