**Re: Manufacturers Railway Company – Discontinuance Exemption – In
St. Louis, MO., Docket No. AB-1075X**

Dear Ms. Brown:

By decision served July 12, 2011 in the above-captioned proceeding, the Board granted an exemption authorizing Manufacturers Railway Company to discontinue service over its entire system, subject to employee protective conditions. In granting the exemption, the Board directed Manufacturers Railway Company to serve a copy of the decision on Century Used Bricks, Universal Storage, and Loy Lange Box so that it was received by them within 5 days after the service date of the decision, and to certify contemporaneously to the Board that it has done so.

By this letter, I am certifying that a copy of the decision was sent to each company by certified mail on July 13th. Copies of the transmittal letters are attached. If you have any questions or require additional information, please contact me.

Very truly yours.
