 Norfolk Southern Railway Company -- Discontinuance  
Exemption -- in Middlesex County, New Jersey

ENTERED  
 Office of Proceedings  
 FEB 21 2013  
 Part of  
 Public Record

Dear Sir/Madam :

This is to notify you pursuant to 49 C.F.R. 1152.50(d)(1) that on or after March 7, 2013, Consolidated Rail Corporation ("Conrail"), CSX Transportation, Inc. ("CSXT"), and Norfolk Southern Railway Company ("NS") intend to file combined Notices of Exemption with the Surface Transportation Board for

Superior analysis Effective solutions. Since 1871.

discontinuance of service of the rail line shown on the enclosed maps, and more fully described below:

Name: Millstone Industrial Track

Location: Middlesex County, New Jersey, traversing United States Postal Service Zip Codes 08901, 08903 and 08906.

Line Code: 10 1428

Description of Track: From approximately milepost 0.77± to approximately milepost 3.00± in Middlesex County, New Jersey.

Length of Track: 2.23 total miles±

The Notices of Exemption will be filed pursuant to the provisions of 49 C.F.R. 1152.50 regarding discontinuance of out-of-service lines of railroad. Because the subject line is out of service and has handled no traffic for the past two years, the discontinuance will result in no change in current operations or maintenance. The purpose of the discontinuance of Milepost 0.77 to 3.00 is that Conrail does not anticipate service on this line for the foreseeable future. There have been no customers served off of this segment for over two years.

Based on information in our possession, the line does not contain federally granted rights-of-way. Any documentation in the railroad's possession will be made available promptly to those requesting it.

If you have any questions concerning this proceeding, please contact me.

Very truly yours,

Benjamin C. Dunlap, Jr.
