RE: EP 526 (Sub-No. 4), Rail Consumers Railroad Shippers Transportation Advisory Council

Dear Ms. Brown:

My name is Dennis Bowles. I am the Director of Logistics for Stupp Corporation located in Baton Rouge, LA. We are Manufacturers of Iron/Steel Pipeline for Gas and Oil. I feel I would be an excellent candidate for your position on the Rail Consumers Railroad Shippers Transportation Advisory Council Docket No. EP 526 (Sub-No. 4).

I have 42 years of experience in Ocean, Rail, Trucking and Air Transportation. I have been on the Front Line in Logistics since 1970. I also have a degree in Anthropology. As being a customer of the Railroads I understand the Rules and Regulations of the AAR and USCA49. I am ready to work with the Surface Transportation Board to help provide advice on regulatory, policy and legislative matters, as appropriate, to the STB Chairman, the Secretary of Transportation, the Senate Committee on Commerce, Science and Transportation, and the House Transportation and Infrastructure Committee.

Thank you for your time. I look forward to meeting with you to discuss this position.

Kindest Regards,
Dennis Bowles
