Attn: Karen January

Dear Ms. January:

I spoke with you on September 29 regarding the termination of numerous leases relating to Kasgro Rail Corp. and Kasgro Leasing, LLC. You previously received two terminations that were improperly sent without being notarized, and you received a payment mistakenly made out in the amount of \$129 (the payment required for three filings). I write to provide you with a properly notarized termination to take the place of one of the previously provided incomplete documents. Please find enclosed for recording one original and one certified copy of a notarized Termination of Lease dated September 14, 2015.

The enclosed document is a Secondary Document that relates to the Primary Document previously filed with the Board under the following Recordation Number (as well as any other Secondary Documents previously filed in connection therewith): **29483**

The party to the enclosed document is: **AmeriServ Financial Bank, Assignee of Maxus Capital Group, LLC**

A description of the railroad equipment covered by the enclosed document is:

Railcars KRL 74 through KRL 76 inclusive, and certain railcars within the series KRL 200 through KRL 70985 inclusive, and certain railcars within the series KRL 370392 through 863025 inclusive, as more particularly set forth on the equipment schedules attached to the terminated lease.

A short summary of the document to appear in the index is: **Termination of Lease**

No fee is enclosed, as this should be credited in the amount of \$43.00 against the \$129 previously provided. Please return the original and any extra copies not needed by the Board for recordation to the undersigned.

Should you have any questions or need further information, please do not hesitate to contact me at (414) 277-5523 or patrick.taylor@quarles.com.

Very truly yours,
