NORFOLK SOUTHERN CORPORATION AND
NORFOLK SOUTHERN RAILWAY COMPANY
— CONTROL AND OPERATING LEASES/AGREEMENTS —
CONRAIL INC. AND CONSOLIDATED RAIL CORPORATION

Decision No. 174

Decided:

Environmental Condition No. 11 of Appendix Q of Decision No. 89¹ (Decision No. 89, slip op. at 401-02), requires Applicants, with the concurrence of the responsible local governments, to mitigate train wayside noise (locomotive engine and wheel/rail noise) at noise-sensitive receptor locations on certain rail line segments. Environmental Condition No. 11 further provides that: “Applicants shall certify compliance with this condition within 2 years of the effective date of the Board’s final decision. This condition shall not apply to those communities that have executed Negotiated Agreements with Applicants that satisfy the communities’ environmental concerns.”²

On October 5, 2000, CSX provided us with a copy of a Negotiated Agreement between CSX and the Village of Rochester, OH, dated July 26, 2000, and accepted by the Village of Rochester on August 29, 2000. According to CSX, this Negotiated Agreement effectuates the Board’s preference for privately negotiated solutions stated in Decision No. 89, slip op. at 153. CSX requests that Environmental Condition No. 11 be amended to reflect the parties’ Negotiated Agreement by deleting the Village of Rochester from the list of communities on the Berea, OH,

¹ In Decision No. 89, served July 23, 1998, we approved, subject to certain conditions, including environmental mitigation conditions, the acquisition of control of Conrail Inc., and Consolidated Rail Corporation (collectively, Conrail) and the division of Conrail’s assets by CSX Corporation and CSX Transportation, Inc. (collectively, CSX), and Norfolk Southern Corporation and Norfolk Southern Railway Company (collectively, NS). CSX and NS are referred to as Applicants.

² Environmental Condition No. 11 required compliance with this provision within 2 years of the effective date of Decision No. 89, or by August 22, 2000. At the request of CSX, by decision served on August 22, 2000, the compliance deadline in Environmental Condition No. 11 was extended 1 year until August 22, 2001, to allow CSX to complete implementation of the condition through additional negotiated solutions with communities and an individualized noise mitigation program.

to Greenwich, OH line segment (C-061), and that the Negotiated Agreement between CSX and the Village of Rochester be added to the CSX Subsection of Environmental Condition No. 51 of Appendix Q in Decision No. 89, which requires CSX to comply with the terms of all Negotiated Agreements developed with states, local communities, and other entities regarding environmental issues associated with the Conrail transaction. See Decision No. 89, slip op. at 420-21. The Village of Rochester concurs with the request.

In view of the Negotiated Agreement between CSX and the Village of Rochester, OH, we will: (1) add the Negotiated Agreement to Environmental Condition No. 51 of Appendix Q of Decision No. 89, and (2) amend Environmental Condition No. 11 of Appendix Q of Decision No. 89 to delete the Village of Rochester because the noise mitigation for that community has been superseded by the CSX/Village of Rochester Negotiated Agreement.

This action will not significantly affect either the quality of the human environment or the conservation of energy resources.

It is ordered:

1. This proceeding is reopened.

2. In accordance with the Negotiated Agreement between CSX and the Village of Rochester, OH, dated July 26, 2000, and accepted by the Village of Rochester on August 29, 2000, the following is added to the CSX Subsection of Environmental Condition No. 51 of Appendix Q of Decision No. 89:

40. Village of Rochester, Ohio, Negotiated Agreement dated July 26, 2000, and accepted by the Village of Rochester on August 29, 2000.

3. In addition, Environmental Condition No. 11 of Appendix Q of Decision No. 89 is amended to delete the noise mitigation applicable to the Village of Rochester, OH, because it has been superseded by the Negotiated Agreement.

4. This decision is effective on the date of service.

By the Board, Chairman Morgan, Vice Chairman Burkes, and Commissioner Clyburn.
