[Docket No. AB 337 (Sub-No. 7X)]

Dakota, Minnesota & Eastern Railroad Corporation—Abandonment Exemption—in
Scott County, Iowa

Dakota, Minnesota & Eastern Railroad Corporation d/b/a Canadian Pacific
(DM&E) has filed a verified notice of exemption under 49 CFR pt. 1152 subpart F—
Exempt Abandonments to abandon a 0.66-mile line of railroad referred to as Blackhawk
Spur, between milepost 0.33+/- and milepost 0.99 +/- in Scott County, Iowa (the Line).
The Line traverses United States Postal Service Zip Code 52802.

DM&E has certified that: (1) no local traffic has moved over the Line for at least
two years; (2) any overhead traffic on the Line can be and has been rerouted over other
lines; (3) no formal complaint has been filed by a user of rail service on the Line (or by a
state or local government entity acting on behalf of such user) regarding cessation of
service over the Line and no such complaint is either pending with the Surface
Transportation Board (Board) or with any U.S. District Court or has been decided in
favor of complainant within the two-year period; and (4) the requirements at
49 CFR 1105.7(c) (environmental report), 49 CFR 1105.11 (transmittal letter),
49 CFR 1105.12 (newspaper publication), and 49 CFR 1152.50(d)(1) (notice to
governmental agencies) have been met.

As a condition to this exemption, any employee adversely affected by the abandonment shall be protected under Oregon Short Line Railroad—Abandonment Portion Goshen Branch Between Firth & Ammon, in Bingham & Bonneville Counties, Idaho, 360 I.C.C. 91 (1979). To address whether this condition adequately protects affected employees, a petition for partial revocation under 49 U.S.C. 10502(d) must be filed.

Provided no formal expression of intent to file an offer of financial assistance (OFA) has been received, this exemption will be effective on January 23, 2014, unless stayed pending reconsideration. Petitions to stay that do not involve environmental issues,¹ formal expressions of intent to file an OFA under 49 CFR 1152.27(c)(2),² and trail use/rail banking requests under 49 CFR 1152.29 must be filed by January 3, 2014. Petitions to reopen or requests for public use conditions under 49 CFR 1152.28 must be filed by January 13, 2014, with the Surface Transportation Board, 395 E Street, S.W., Washington, DC 20423-0001.

¹ The Board will grant a stay if an informed decision on environmental issues (whether raised by a party or by the Board's Office of Environmental Analysis (OEA) in its independent investigation) cannot be made before the exemption's effective date. See Exemption of Out-of-Serv. Rail Lines, 5 I.C.C.2d 377 (1989). Any request for a stay should be filed as soon as possible so that the Board may take appropriate action before the exemption's effective date.

² Each OFA must be accompanied by the filing fee, which is currently set at \$1,600. See 49 CFR 1002.2(f)(25).

A copy of any petition filed with the Board should be sent to DM&E's representative: W. Karl Hansen, Leonard, Street and Deinard, 150 South Fifth Street, Suite 2300, Minneapolis, MN 55402.

If the verified notice contains false or misleading information, the exemption is void ab initio.

DM&E has filed a combined environmental and historic report that addresses the effects, if any, of the abandonment on the environment and historic resources. OEA will issue an environmental assessment (EA) by December 27, 2013. Interested persons may obtain a copy of the EA by writing to OEA (Room 1100, Surface Transportation Board, Washington, DC 20423-0001) or by calling OEA at (202) 245-0305. Assistance for the hearing impaired is available through the Federal Information Relay Service at 1-800-877-8339. Comments on environmental and historic preservation matters must be filed within 15 days after the EA becomes available to the public.

Environmental, historic preservation, public use, or trail use/rail banking conditions will be imposed, where appropriate, in a subsequent decision.

Pursuant to the provisions of 49 CFR 1152.29(e)(2), DM&E shall file a notice of consummation with the Board to signify that it has exercised the authority granted and fully abandoned the Line. If consummation has not been effected by DM&E's filing of a notice of consummation by December 24, 2014, and there are no legal or regulatory barriers to consummation, the authority to abandon will automatically expire.

Board decisions and notices are available on our website at

“WWW.STB.DOT.GOV.”

Decided: December 19, 2013.

By the Board, Rachel D. Campbell, Director, Office of Proceedings.
