[STB Docket No. AB-1006X]

New York & Greenwood Lake Railway—Abandonment Exemption—in Passaic, Passaic County, NJ

New York & Greenwood Lake Railway (NYGL) has filed a notice of exemption under 49 CFR 1152 Subpart F—Exempt Abandonments to abandon an approximately .7-mile line of railroad between milepost 1.1, near the intersection of South and Fourth Streets, and the end of the line at milepost 1.8, near the intersection of Canal and Monroe Streets, in Passaic, Passaic County, NJ.

NYGL has certified that: (1) no local or overhead traffic has moved over the line for at least 2 years; (2) overhead traffic, if there were any, could be rerouted over other lines; (3) no formal complaint filed by a user of rail service on the line (or by a state or local government entity acting on behalf of such user) regarding cessation of service over the line either is pending with the Surface Transportation Board or with any U.S. District Court or has been decided in favor of complainant within the 2-year period; and (4) the requirements at 49 CFR 1105.7 (environmental reports), 49 CFR 1105.8 (historic reports), 49 CFR 1105.11 (transmittal letter), 49 CFR 1105.12 (newspaper publication), and 49 CFR 1152.50(d)(1) (notice to governmental agencies) have been met.

As a condition to this exemption, any employee adversely affected by the abandonment shall be protected under Oregon Short Line R. Co.—Abandonment—Goshen, 360 I.C.C. 91 (1979). To address whether this condition adequately protects affected employees, a petition for partial revocation under 49 U.S.C. 10502(d) must be filed.

Provided no formal expression of intent to file an offer of financial assistance (OFA) has been received, this exemption will be effective on April 24, 2007, unless stayed pending reconsideration.¹ Petitions to stay that do not involve environmental issues,² formal expressions of intent to file an OFA under 49 CFR 1152.27(c)(2),³ and trail use/rail banking requests under 49 CFR 1152.29 must be filed by April 2, 2007. Petitions to reopen or requests for public use conditions under 49 CFR 1152.28 must be filed by April 12, 2007, with: Surface Transportation Board, 395 E Street S.W., Washington, DC 20423-0001.

A copy of any petition filed with the Board should be sent to NYGL's representative: Fritz R. Kahn, Fritz R. Kahn, P.C., 1920 N Street, N.W. (8th fl.), Washington, DC 20036-1601.

¹ The earliest this transaction may be consummated is April 24, 2007. NYGL has originally indicated a consummation date of April 20, 2007. NYGL has been informed by a Board staff member that consummation may not place until April 24, 2007.

² The Board will grant a stay if an informed decision on environmental issues (whether raised by a party or by the Board's Section of Environmental Analysis (SEA) in its independent investigation) cannot be made before the exemption's effective date. See Exemption of Out-of-Service Rail Lines, 5 I.C.C.2d 377 (1989). Any request for a stay should be filed as soon as possible so that the Board may take appropriate action before the exemption's effective date.

³ Each OFA must be accompanied by the filing fee, which currently is set at \$1,300. See 49 CFR 1002.2(f)(25).

If the verified notice contains false or misleading information, the exemption is void ab initio.

NYGL has filed a combined environmental and historic report which addresses the effects, if any, of the abandonment on the environment and historic resources. SEA will issue an environmental assessment (EA) by March 30, 2007. Interested persons may obtain a copy of the EA by writing to SEA (Suite 1100, Surface Transportation Board, Washington, DC 20423-0001) or by calling SEA, at (202) 245-0305. [Assistance for the hearing impaired is available through the Federal Information Relay Service (FIRS) at 1-800-877-8339.] Comments on environmental and historic preservation matters must be filed within 15 days after the EA becomes available to the public.

Environmental, historic preservation, public use, or trail use/rail banking conditions will be imposed, where appropriate, in a subsequent decision.

Pursuant to the provisions of 49 CFR 1152.29(e)(2), NYGL shall file a notice of consummation with the Board to signify that it has exercised the authority granted and fully abandoned the line. If consummation has not been effected by NYGL's filing of a notice of consummation by March 23, 2008, and there are no legal or regulatory barriers to consummation, the authority to abandon will automatically expire.

Board decisions and notices are available on our website at
“WWW.STB.DOT.GOV.”

Decided: March 16, 2007.

By the Board, Joseph H. Dettmar, Acting Director, Office of Proceedings.

Vernon A. Williams

Secretary
