[Docket No. AB 33 (Sub-No. 297X)]

Union Pacific Railroad Company—Abandonment Exemption—in Lafayette County, Mo.

Union Pacific Railroad Company (UP) filed a verified notice of exemption under 49 C.F.R. pt. 1152 subpart F—Exempt Abandonments to abandon 2.91 miles of a line of railroad known as the Lexington Industrial Lead extending from milepost 246.49 near Myrick to milepost 243.58 near Lexington, in Lafayette County, Mo. The line traverses United States Postal Service Zip Code 64067.

UP has certified that: (1) no local traffic has moved over the line for at least 2 years; (2) there is no overhead traffic on the line; (3) no formal complaint filed by a user of rail service on the line (or by a state or local government entity acting on behalf of such user) regarding cessation of service over the line either is pending with the Surface Transportation Board (Board) or with any U.S. District Court or has been decided in favor of complainant within the 2-year period; and (4) the requirements at 49 C.F.R. § 1105.7(c) (environmental report), 49 C.F.R. § 1105.11 (transmittal letter), 49 C.F.R. § 1105.12 (newspaper publication), and 49 C.F.R. § 1152.50(d)(1) (notice to governmental agencies) have been met.

As a condition to this exemption, any employee adversely affected by the abandonment shall be protected under Oregon Short Line—Abandonment Portion

Goshen Branch Between Firth & Ammon, in Bingham & Bonneville Counties, Idaho, 360 I.C.C. 91 (1979). To address whether this condition adequately protects affected employees, a petition for partial revocation under 49 U.S.C. § 10502(d) must be filed.

Provided no formal expression of intent to file an offer of financial assistance (OFA) has been received, this exemption will be effective on March 22, 2011, unless stayed pending reconsideration. Petitions to stay that do not involve environmental issues,¹ formal expressions of intent to file an OFA under 49 C.F.R. § 1152.27(c)(2),² and trail use/rail banking requests under 49 C.F.R. § 1152.29 must be filed by February 28, 2011. Petitions to reopen or requests for public use conditions under 49 C.F.R. § 1152.28 must be filed by March 10, 2011,³ with the Surface Transportation Board, 395 E Street, S.W., Washington, DC 20423-0001.

¹ The Board will grant a stay if an informed decision on environmental issues (whether raised by a party or by the Board's Office of Environmental Analysis (OEA) in its independent investigation) cannot be made before the exemption's effective date. See Exemption of Out-of-Serv. Rail Lines, 5 I.C.C.2d 377 (1989). Any request for a stay should be filed as soon as possible so that the Board may take appropriate action before the exemption's effective date.

² Each OFA must be accompanied by the filing fee, which is currently set at \$1,500. See 49 C.F.R. § 1002.2(f)(25).

³ UP states that the right-of-way proposed for abandonment is mainly reversionary property. UP does not believe that the property is suitable for public purposes, including roads or highways, other forms of mass transportation, conservation, energy production or transmission, as this area is adequately served by existing roads and utility lines at the present time. UP notes that the real property which makes up the right-of-way may be well suited for conservation uses.

A copy of any petition filed with the Board should be sent to UP's representative: Mack H. Shumate, Jr., Senior General Attorney, Union Pacific Railroad Company, 101 North Wacker Drive, Room 1920, Chicago, IL 60606.

If the verified notice contains false or misleading information, the exemption is void ab initio.

UP has filed a combined environmental and historic report that addresses the effects, if any, of the abandonment on the environment and historic resources. OEA will issue an environmental assessment (EA) by February 25, 2011. Interested persons may obtain a copy of the EA by writing to OEA (Room 1100, Surface Transportation Board, Washington, DC 20423-0001) or by calling OEA, at (202) 245-0305. Assistance for the hearing impaired is available through the Federal Information Relay Service (FIRS) at 1-800-877-8339. Comments on environmental and historic preservation matters must be filed within 15 days after the EA becomes available to the public.

Environmental, historic preservation, public use, or trail use/rail banking conditions will be imposed, where appropriate, in a subsequent decision.

Pursuant to the provisions of 49 C.F.R. § 1152.29(e)(2), UP shall file a notice of consummation with the Board to signify that it has exercised the authority granted and fully abandoned the line. If consummation has not been effected by UP's filing of a notice of consummation by February 18, 2012, and there are no legal or regulatory barriers to consummation, the authority to abandon will automatically expire.
