NOTICE TO THE PARTIES:

The above-referenced docket numbers have been changed to correct docketing errors that occurred at the time the proceedings were instituted. The AB-289 designation should not have been used in these cases because it is assigned to another railroad, namely Central Railroad Company of Indianapolis, Inc. (Emphasis added.) The similarity of the two carriers' names appears to have been the source of the docketing error.

The AB-289 designation remains with Central Railroad Company of Indianapolis, Inc., and the AB-511 designation is assigned to Central Railroad Company of Indianapolis. Please correct your records in accordance with this Notice.
