RE: STB Docket No. AB-55 (Sub-No. 613x)

Dear Ms. Brown:

Please see the attached copies of previous correspondence concerning our last extension request. It is my understanding the Alabama Department of Transportation is almost finished with their review and approval of this project. This should be the last hurdle before we can move forward to the purchase of the property. Due to these circumstances the City of Fultondale is asking for an additional 180 day extension for this rail corridor.

Once again I would like to thank you for your patience and understanding to keep this project moving forward to both parties satisfaction.

Respectfully submitted,

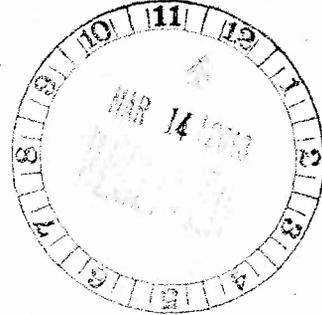

Jim Lowery, Mayor
City of Fultondale
