DECISION

STB Ex Parte No. 542 (Sub-No. 2)

REGULATIONS GOVERNING FEES FOR SERVICES PERFORMED
IN CONNECTION WITH LICENSING AND RELATED SERVICES--1998 UPDATE

Decided: February 9, 1998

The Board adopts the 1998 User Fee Update.

BACKGROUND

The Surface Transportation Board (Board) is required by the regulations at 49 CFR 1002.3 to update its user fees annually. The Board's regulations at 49 CFR 1002.3(a) provide that the entire fee schedule or selected fees can be modified more than once a year, if necessary. The Board's fees are revised based on the cost study formula set forth at 49 CFR 1002.3(d). Also, in some previous years, selected fees were modified to reflect new cost study data or changes in Board or Interstate Commerce Commission fee policy. The Board's last user fee update was issued in Regulations Governing Fees for Services Performed in Connection with Licensing and Related Services--1997 Update, STB Ex Parte No. 542 (Sub-No.1) (STB served Jan. 23, 1997).

Because Board employees received a salary increase of 2.45% in January 1998, we are updating our user fees to recover these costs. All fees, with the exception of the ones discussed below, will be updated based on the cost formula at 49 CFR 1002.3(d).

1998 UPDATE FACTORS

For this update, the direct labor cost data have been revised to reflect the combined 1998 Government-wide general salary and 1998 locality salary increase of 2.45% that took effect in January 1998. The Government Fringe Benefit Cost used in the update formula remains at 49.55%. Based on the Board's fiscal year 1997 actual budget data, the Office General and Administrative Expense Factor has increased from 20.06% to 30.11%, while the Board's General and Administrative Expense Factor has decreased from 12.20% to 9.27%. In addition, the Operations Overhead Factor, which is developed from fiscal year 1997 payroll cost data, has slightly increased from 23.13% to 23.80%. The 1998 full cost for each fee item developed from these factors is set forth in **APPENDIX A**.

FEES ITEMS NOT TOTALLY AFFECTED BY THIS UPDATE

In Regulations Governing Fees for Service--1996 Update, 1 S.T.B. 179 (1996) (1996 Fee Update I), based on concerns expressed by various parties commenting in that decision, the Board determined that fees for formal complaints would be set at 10% of the full cost and would be increased gradually to the full cost level. However, because of on-going legislative debate regarding complaint fees when the 1996 Fee Update I was decided, the Board initially maintained all complaint fees at \$1,000.

In Regulations Governing Fees for Services Performed in Connection with Licensing and Related Services-1996 Update, STB Ex Parte No. 542 (STB served Dec. 17, 1996) (1996 Fee Update II), the Board established fees for items (56)(i) and (iii), which do not involve rail maximum rates filed by small shippers, at \$23,300 and \$2,300, respectively. Those fee increases became effective on January 16, 1997, and remain in effect today. In the current update we will not increase the application percentage to 20% of full cost as we are entitled to do but will instead continue to apply 10% of the current full cost shown in **APPENDIX A** for these fee items. The revised fees for these two types of complaint proceedings thus are set at \$27,000 and \$2,600, respectively.¹ We will reassess whether to increase the application percentages for these fee items under the formula adopted in 1996 Fee Update I in subsequent update proceedings.

We note that the filing fee for item 56(ii), A formal complaint involving rail maximum rates filed by a small shipper, remains at \$1,000 in keeping with Congressional mandate discussed in 1996 Fee Update II. In addition, the \$150 filing fees that were established in 1996 Fee Update I for items involving trails use requests, Amtrak conveyance and compensation proceedings, appeals of Board decisions, and motor carrier undercharge proceedings and the \$150 filing fee for labor arbitration proceedings, adopted in 1996 Fee Update II, will be maintained. Moreover, the fee for item 13, a feeder line development program, will remain at \$2,600 and fees for item 58(i), Petition for declaratory order involving a dispute over an existing rate or practice, and item 58(ii), All other petitions for declaratory order, are held at the current levels of \$1,000 and \$1,400, respectively.

OTHER ADJUSTMENTS TO THE FEE SCHEDULE

In Arbitration of Certain Disputes Subject to the Statutory Jurisdiction of the Surface Transportation Board, Ex Parte No. 560 (STB served Sept. 2, 1997), the Board adopted rules providing a means for the binding voluntary arbitration of certain rail disputes subject to the statutory jurisdiction of the Board and adopted fees for this arbitration process. This arbitration will not be available for obtaining a license (such as authority to construct, acquire, operate over, or abandon a line, or to merge or pool resources with another carrier) or an exemption from regulation,

¹We adopt a fee for item 56(i), Formal complaints filed under the coal rate guidelines set at \$27,000 per filing [\$270,193.30 (total 1998 cost) times 10% and then rounded]. We also adopt a fee for item 56(iii), All other formal complaints set at \$2,600 per filing [\$26,807.77 (total 1998 cost) times 10% and then rounded].

or for prescribing for the future any conduct, rules or results of general, industry-wide applicability. Rather, this arbitration is designed for the resolution of specific disputes between specific parties involving the payment of money or involving rates or practices related to rail transportation or service that is subject to the statutory jurisdiction of the Board. In accordance with the final rules for this process, we have included a small group of fees for these types of disputes in the user fee schedule under item 87(i)-(v).

NOTICE AND COMMENT REQUIREMENT

The fee increases involved here only result from the mechanical application of the current update formula at 49 CFR 1002.3(d), which was adopted through notice and comment procedures in Regulations Governing Fees for Services-1987 Update, 4 I.C.C.2d 137 (1987). Therefore, we believe that notice and comment is unnecessary for this proceeding. See Regulations Governing Fees For Services-1990 Update, 7 I.C.C.2d 3 (1990), Regulations Governing Fees For Services-1991 Update, 8 I.C.C.2d 13 (1991), Regulations Governing Fees For Services-1993 Update, 9 I.C.C.2d 855 (1993).

REGULATORY FLEXIBILITY ANALYSIS

We certify that these rules will not cause a significant economic effect on a substantial number of small entities because the Board's regulations provide for waiver of filing fees for those entities which can make the required showing of financial hardship.

It is ordered:

1. 49 CFR Part 1002 of the Code of Federal Regulations is amended as set forth in **APPENDIX B**. Notice of the final rules adopted here will be transmitted to Congress pursuant to Pub. L. 104-121 (Mar. 29, 1996).
2. These rules are effective March 20, 1998.

By the Board, Chairman Morgan and Vice Chairman Owen.

(SEAL)

Secretary
