[Docket No. AB 55 (Sub-No. 711X)]

CSX Transportation, Inc.—Abandonment Exemption—In Oswego County, N.Y.

CSX Transportation, Inc. (CSXT) filed a verified notice of exemption under 49 C.F.R. pt. 1152 subpart F—Exempt Abandonments to abandon 2 formerly connected rail lines in CSXT's Northern Region, Albany Division, Fulton Subdivision. The lines are described as follows: (1) 6,814 feet between milepost QMF 25.67, adjacent to County Road 57, and the end of the track between Ontario and Erie Streets; and (2) 5,938 feet between milepost QMF 22.8 and the end of the track at Division Street, in Fulton, Oswego County, N.Y. The line traverses United States Postal Service Zip Code 13069.

CSXT has certified that: (1) no local traffic has moved over the line for at least 2 years; (2) there is no overhead traffic on the line to be rerouted; (3) no formal complaint filed by a user of rail service on the line (or by a state or local government entity acting on behalf of such user) regarding cessation of service over the line either is pending with the Surface Transportation Board (Board) or with any U.S. District Court or has been decided in favor of complainant within the 2-year period; and (4) the requirements at 49 C.F.R. § 1105.7(c) (environmental report), 49 C.F.R. § 1105.11 (transmittal letter),

49 C.F.R. § 1105.12 (newspaper publication), and 49 C.F.R. § 1152.50(d)(1) (notice to governmental agencies) have been met.

As a condition to this exemption, any employee adversely affected by the abandonment shall be protected under Oregon Short Line Railroad—Abandonment Portion Goshen Branch Between Firth & Ammon, in Bingham & Bonneville Counties, Idaho, 360 I.C.C. 91 (1979). To address whether this condition adequately protects affected employees, a petition for partial revocation under 49 U.S.C. § 10502(d) must be filed.

Provided no formal expression of intent to file an offer of financial assistance (OFA) has been received, this exemption will be effective on September 17, 2011, unless stayed pending reconsideration. Petitions to stay that do not involve environmental issues,¹ formal expressions of intent to file an OFA under 49 C.F.R. § 1152.27(c)(2),² and trail use/rail banking requests under 49 C.F.R. § 1152.29 must be filed by August 29, 2011. Petitions to reopen or requests for public use conditions under 49 C.F.R. § 1152.28 must be filed by September 7, 2011, with the Surface Transportation Board, 395 E Street, S.W., Washington, DC 20423-0001.

¹ The Board will grant a stay if an informed decision on environmental issues (whether raised by a party or by the Board's Office of Environmental Analysis (OEA) in its independent investigation) cannot be made before the exemption's effective date. See Exemption of Out-of-Serv. Rail Lines, 5 I.C.C.2d 377 (1989). Any request for a stay should be filed as soon as possible so that the Board may take appropriate action before the exemption's effective date.

² Each OFA must be accompanied by the filing fee, which is currently set at \$1,500. See 49 C.F.R. § 1002.2(f)(25).

A copy of any petition filed with the Board should be sent to CSXT's representative: Louis E. Gitomer, 600 Baltimore Avenue, Suite 301, Towson, MD 21204.

If the verified notice contains false or misleading information, the exemption is void ab initio.

CSXT has filed environmental and historic reports, which address the effects, if any, of the abandonment on the environment and historic resources. OEA will issue an environmental assessment (EA) by August 23, 2011. Interested persons may obtain a copy of the EA by writing to OEA (Room 1100, Surface Transportation Board, Washington, DC 20423-0001) or by calling OEA, at (202) 245-0305. Assistance for the hearing impaired is available through the Federal Information Relay Service (FIRS) at 1-800-877-8339. Comments on environmental and historic preservation matters must be filed within 15 days after the EA becomes available to the public.

Environmental, historic preservation, public use, or trail use/rail banking conditions will be imposed, where appropriate, in a subsequent decision.

Pursuant to the provisions of 49 C.F.R. § 1152.29(e)(2), CSXT shall file a notice of consummation with the Board to signify that it has exercised the authority granted and fully abandoned the line. If consummation has not been effected by CSXT's filing of a notice of consummation by August 18, 2012, and there are no legal or regulatory barriers to consummation, the authority to abandon will automatically expire.

Board decisions and notices are available on our website at

“WWW.STB.DOT.GOV.”

Decided: August 12, 2011.

By the Board, Rachel D. Campbell, Director, Office of Proceedings.
