RE: Request of Time for a Period of 180 Days
To enable Local Government Agency to
Negotiate the Acquisition of Line for Public Use

Dear Secretary:

This is another request for an extension of time on behalf of Webster County, Kentucky. The request will allow Webster County the time to negotiate further with West Kentucky Railway for possession of abandon property.

We will be meeting with Jessica Martin, Policy Analyst, Tourism, Arts and Heritage Cabinet on March 1st concerning the West Kentucky Railway project.

Therefore, Webster County respectfully requests another extension of 180 days. We appreciate your patience concerning this matter and we are anticipating some action in the near future. Please feel free to contact me if you have any concerns at 270 639-5042.

Respectfully submitted,

James R. Townsend
Webster County Judge/Executive
