STB Finance Docket No. 35249

KERN W. SCHUMACHER—CONTINUANCE IN CONTROL EXEMPTION—GRENADA
RAILWAY, LLC AND NATCHEZ RAILWAY, LLC

June 8, 2009

NOTICE TO THE PARTIES:

On May 29, 2009, a notice of exemption was served and published in the Federal Register (74 FR 25798-99) in this proceeding that described Kern W. Schumacher's request to continue in control of Grenada Railway, LLC (Grenada), and Natchez Railway, LLC, upon their becoming Class III rail carriers. The notice referenced a related proceeding, STB Finance Docket No. 35247, in which Grenada sought acquisition and operation authority for two lines. One of those lines was described as extending from milepost 603.0, at Water Valley Junction, MS, to milepost 614.42, at Bruce Junction, MS, for a distance of 11.42 miles. In a letter received on June 3, 2009, Grenada's attorney informed the Board that the milepost termini were inadvertently transposed in his notice of exemption filed on May 13, 2009, and that the milepost termini should have been identified as milepost 603.0, at Bruce Junction, MS, and milepost 614.42, at Water Valley Junction, MS.

Please revise your copies accordingly. All other information in the notice remains unchanged.
