Wisconsin Central Ltd.—Abandonment Exemption—in Ashland County, WI

Wisconsin Central Ltd. (WCL)¹ has filed a notice of exemption under 49 CFR 1152 Subpart F—Exempt Abandonments to abandon its line of railroad in Ashland, Ashland County, WI, referred to herein as the “Ore Dock Line”, starting from a point of switch off WCL’s mainline through Ashland at milepost 434.49 and continuing 5,160 feet to the end of WCL’s Ashland Ore Dock. The line traverses United States Postal Service Zip Code 54806.

WCL has certified that: (1) no local traffic has moved over the line for at least 2 years; (2) there is no overhead traffic on the line that would have to rerouted; (3) no formal complaint filed by a user of rail service on the line (or by a state or local government entity acting on behalf of such user) regarding cessation of service over the line either is pending with the Surface Transportation Board or with any U.S. District Court or has been decided in favor of complainant within the 2-year period; and (4) the requirements at 49 CFR 1105.7 (environmental report), 49 CFR 1105.8 (historic report), 49 CFR 1105.11 (transmittal letter), 49 CFR 1105.12 (newspaper publication), and 49 CFR 1152.50(d)(1) (notice of governmental agencies) has been met.

¹ WCL is a wholly owned subsidiary of Canadian National Railway Company.

As a condition to this exemption, any employees adversely affected by the abandonment shall be protected under Oregon Short Line R. Co.—Abandonment—Goshen, 360 I.C.C. 91 (1979). To address whether this condition adequately protects affected employees, a petition for partial revocation under 49 U.S.C. 10502(d) must be filed.

Provided no formal expression of intent to file an offer of financial assistance (OFA) has been received, this exemption will be effective on March 25, 2006, unless stayed pending reconsideration. Petitions to stay that do not involve environmental issues,² formal expressions of intent to file an OFA under 49 CFR 1152.(c)(2),³ and trail use/rail banking requests under 49 CFR 1152.29 must be filed by March 6, 2006. Petitions to reopen or requests for public use conditions under 49 CFR 1152.28 must be filed by March 15, 2006, with: Surface Transportation Board, 1925 K Street, N.W., Washington, DC 20423-0001.

A copy of any petition filed with the Board should be sent to WCL's representative: Michael J. Barron, Jr., Fletcher & Sippel LLC, 29 North Wacker Drive, Suite 920, Chicago, IL 60606-2832.

If the verified notice contains false or misleading information, the exemption is void ab initio.

² The Board will grant a stay if an informed decision on environmental issues (whether raised by a party or by the Board's Section of Environmental Analysis (SEA) in its independent investigation) cannot be made before the exemption's effective date. See Exemption of Out-of-Service Rail Lines, 5 I.C.C.2d 377 (1989). Any request for a stay should be filed as soon as possible so that the Board may take appropriate action before the exemption's effective date.

³ Each OFA must be accompanied by the filing fee, which is currently set at \$1,200. See 49 CFR 1002.2(f)(25).

WCL has filed environmental and historic reports which address the effects, if any, of the abandonment on the environmental and historic resources. SEA will issue an environmental assessment (EA) by February 28, 2006. Interested persons may obtain a copy of the EA by writing to SEA (Room 500, Surface Transportation Board, Washington, DC 20423-0001) or by calling SEA, at (202) 565-1539. [Assistance for the hearing impaired is available through the Federal Information Relay Service (FIRS) at 1-800-877-8339.] Comments on environmental and historic preservation matters must be filed within 15 days after the EA becomes available to the public.

Environmental, historic preservation, public use, or trail use/rail banking conditions will be imposed, where appropriate, in a subsequent decision.

Pursuant to the provisions of 49 CFR 1152.29(e)(2), WCL shall file a notice of consummation with the Board to signify that it has exercised the authority granted and fully abandoned the line. If consummation has not been effected by WCL's filing of a notice of consummation by February 23, 2007, and there are no legal or regulatory barriers to consummation, the authority to abandon will automatically expire.
