SURFACE TRANSPORTATION BOARD

[Docket No. AB 290 (Sub-No. 383X)]

Norfolk Southern Railway Company—Discontinuance of Service Exemption—In
Shenandoah County, Va.

Norfolk Southern Railway Company (NSR) has filed a verified notice of exemption under 49 C.F.R. pt. 1152, subpart F—Exempt Abandonments and Discontinuance of Service to discontinue service over an approximately 16.9-mile rail line extending from milepost B 62.0 (at Strasburg, Va.) to milepost B 78.9 (near Edinburg, Va.) in Shenandoah County, Va. (the Line). The Line traverses United States Postal Service Zip Codes 22657, 22660, 22644, 22664, and 22824.

NSR has certified that: (1) no local traffic has moved over the Line for at least two years; (2) because the Line is not a through route, no overhead traffic has operated, and, therefore, none needs to be rerouted over other lines; (3) no formal complaint filed by a user of rail service on the Line (or by a state or local government entity acting on behalf of such user) regarding cessation of service over the Line is pending either with the Surface Transportation Board (Board) or with any U.S. District Court or has been decided in favor of complainant within the two-year period; and (4) the requirements at 49 C.F.R. § 1105.12 (newspaper publication) and 49 C.F.R. § 1152.50(d)(1) (notice to governmental agencies) have been met.

As a condition to this exemption, any employee adversely affected by the discontinuance of service shall be protected under Oregon Short Line Railroad—Abandonment Portion Goshen Branch Between Firth & Ammon, in Bingham & Bonneville Counties, Idaho, 360 I.C.C. 91 (1979). To address whether this condition adequately protects affected employees, a petition for partial revocation under 49 U.S.C. § 10502(d) must be filed.

Provided no formal expression of intent to file an offer of financial assistance (OFA) to subsidize continued rail service has been received, this exemption will be effective on August 16, 2016, unless stayed pending reconsideration. Petitions to stay that do not involve environmental issues and formal expressions of intent to file an OFA to subsidize continued rail service under 49 C.F.R. §1152.27(c)(2)¹ must be filed by July 25, 2016.² Petitions to reopen must be filed by August 4, 2016, with the Surface Transportation Board, 395 E Street, S.W., Washington, DC 20423-0001.

A copy of any petition filed with the Board should be sent to NSR's representative: William A. Mullins, Baker & Miller PLLC, 2401 Pennsylvania Ave., NW, Suite 300, Washington, DC 20037.

¹ Each OFA must be accompanied by the filing fee, which is currently set at \$1,600. See 49 C.F.R. § 1002.2(f)(25).

² Because this is a discontinue proceeding and not an abandonment, interim trail use/rail banking and public use conditions are not appropriate. Because there will be an environmental review during abandonment, this discontinuance does not require an environmental review.

If the verified notice contains false or misleading information, the exemption is void ab initio.
