DECISION

STB Docket No. AB-33 (Sub-No. 153X)

UNION PACIFIC RAILROAD COMPANY—ABANDONMENT EXEMPTION—
IN MONROE COUNTY, IA

Decided: April 15, 2004

On September 1, 2000, a decision and notice of interim trail use or abandonment (NITU) was served in this proceeding, authorizing a 180-day period for the Iowa Trails Council (Iowa Trails) to negotiate an interim trail use/rail banking agreement with the Union Pacific Railroad Company (UP) for a segment of rail line (the southern segment of the Oskaloosa Subdivision) extending between milepost 315.1 and milepost 322.9, in Monroe County, IA. The negotiating period was extended several times¹ and the latest extension is scheduled to expire on April 15, 2004.

By letter filed on April 8, 2004, Iowa Trails requests an extension of the negotiating period for an additional 180 days to complete negotiations for the acquisition of the line between mileposts 315.0 and 322.9. By letter filed on April 13, 2004, UP states that it has no objection to the requested extension.

Where, as here, the carrier is willing to continue trail use negotiations, the NITU negotiating period may be extended.² Under the circumstances, further extension of the negotiating period is warranted. Accordingly, the NITU negotiating period will be extended to October 12, 2004.

The requested extension of the negotiating period will promote the establishment of trail use and rail banking consistent with the National Trails System Act, 16 U.S.C. 1247(d). Accordingly, the extension will be granted.

¹ The negotiating period under the NITU was extended by decisions served on February 26, 2001, September 4, 2001, March 8, 2002, September 9, 2002, February 20, 2003, August 18, 2003, and February 13, 2004. The February 26, 2001 decision also amended the NITU to the extent necessary to implement interim trail use/rail banking for that portion of the right-of-way between milepost 315.0 and milepost 315.1, thereby authorizing the parties to negotiate an agreement for trail use between milepost 315.0 and milepost 322.9.

² See Rail Abandonments—Supplemental Trails Act Procedures, 4 I.C.C.2d 152, 157-58 (1987).

This action will not significantly affect either the quality of the human environment or the conservation of energy resources.

It is ordered:

1. The request to extend the interim trail use negotiating period is granted.
2. The negotiating period under the NITU is extended to October 12, 2004.
3. This decision is effective on its service date.
