DECISION

STB Finance Docket No. 35305

ARKANSAS ELECTRIC COOPERATIVE CORPORATION – PETITION FOR
DECLARATORY ORDER

Decided: January 22, 2010

On January 6, 2010, a Notice to the Parties (Notice) was served in this proceeding, which established the service list. The Notice directed that corrections to the service list be filed in writing with the Surface Transportation Board (Board) by January 15, 2010.

On January 8, 2010, Mr. Charles A. Stedman advised the Board of errors in his Party of Record entry. The Board will incorporate the modifications requested in the service list.

In addition, South Carolina Electric & Gas Company and AES Shady Point, Inc., on January 6, 2010, and January 11, 2010, respectively, advised the Board that they intended to withdraw their notices of intent to participate in this proceeding. The Board granted each party's request to withdraw the notice of intent to participate in prior decisions served on January 11, 2010, and January 12, 2010, respectively.

The final service list is modified to incorporate the additional changes reflected in the Appendix attached to this decision. All future filings must have a certificate of service indicating that all Parties of Record have been properly served with a copy of the filing.

This action will not affect either the quality of the human environment or the conservation of energy resources.

It is ordered:

1. The final service list is modified to include the additional changes shown in the Appendix attached to this decision.
2. This decision is effective on its date of service.

By the Board, Joseph H. Dettmar, Acting Director, Office of Proceedings.
