Grand Trunk Western Railroad Incorporated–Abandonment Exemption–in Oakland
County, MI

Grand Trunk Western Railroad Incorporated (GTW) has filed a notice of exemption under 49 CFR 1152 Subpart F–Exempt Abandonments to abandon a 0.7-mile portion of its line of railroad known as the Cass City Subdivision from milepost 7.06 to milepost 6.36 in Orion Township, in Oakland County, MI.¹ The line traverses United States Postal Service Zip Code 48359.

GTW has certified that: (1) no local traffic has moved over the line for at least 2 years; (2) there is no overhead traffic to be rerouted; (3) no formal complaint filed by a user of rail service on the line (or by a state or local government entity acting on behalf of such user) regarding cessation of service over the line either is pending with the Board or with any U.S. District Court or has been decided in favor of complainant within the 2-year period; and (4) the requirements at 49 CFR 1105.7 (environmental reports), 49 CFR

¹ Pursuant to 49 CFR 1152.50(d)(2), the railroad must file a verified notice with the Surface Transportation Board (Board) at least 50 days before the abandonment or discontinuance is to be consummated. GTW initially indicated in its notice of exemption a proposed consummation date of June 11, 2007, but because the verified notice was filed on May 1, 2007, consummation may not take place prior to June 20, 2007. GTW has been informed by a Board staff member that consummation may not take place until June 20, 2007.

1105.8 (historic reports), 49 CFR 1105.11 (transmittal letter), 49 CFR 1105.12 (newspaper publication), and 49 CFR 1152.50(d)(1) (notice to governmental agencies) have been met.

As a condition to this exemption, any employee adversely affected by the abandonment shall be protected under Oregon Short Line R. Co.–Abandonment–Goshen, 360 I.C.C. 91 (1979). To address whether this condition adequately protects affected employees, a petition for partial revocation under 49 U.S.C. 10502(d) must be filed.

Provided no formal expression of intent to file an offer of financial assistance (OFA) has been received, this exemption will be effective on June 20, 2007, unless stayed pending reconsideration. Petitions to stay that do not involve environmental issues,² formal expressions of intent to file an OFA under 49 CFR 1152.27(c)(2),³ and trail use/rail banking requests under 49 CFR 1152.29 must be filed by May 31, 2007. Petitions to reopen or requests for public use conditions under 49 CFR 1152.28 must be filed by June 11, 2007, with the Surface Transportation Board, 395 E Street, S.W., Washington, DC 20423-0001.

² The Board will grant a stay if an informed decision on environmental issues (whether raised by a party or by the Board's Section of Environmental Analysis (SEA) in its independent investigation) cannot be made before the exemption's effective date. See Exemption of Out-of-Service Rail Lines, 5 I.C.C.2d 377 (1989). Any request for a stay should be filed as soon as possible so that the Board may take appropriate action before the exemption's effective date.

³ Each OFA must be accompanied by the filing fee, which currently is set at \$1,300. See 49 CFR 1002.2(f)(25).

A copy of any petition filed with the Board should be sent to GTW's representative: Thomas J. Healey, 17641 S. Ashland Avenue, Homewood, IL 60430-1345.

If the verified notice contains false or misleading information, the exemption is void ab initio.

GTW has filed a combined environmental report and historic report which addresses the effects, if any, of the abandonment on the environment and historic resources. SEA will issue an environmental assessment (EA) by May 25, 2007. Interested persons may obtain a copy of the EA by writing to SEA (Room 1100, Surface Transportation Board, Washington, DC 20423-0001) or by calling SEA, at (202) 245-0305. [Assistance for the hearing impaired is available through the Federal Information Relay Service (FIRS) at 1-800-877-8339.] Comments on environmental and historic preservation matters must be filed within 15 days after the EA becomes available to the public.

Environmental, historic preservation, public use, or trail use/rail banking conditions will be imposed, where appropriate, in a subsequent decision.

Pursuant to the provisions of 49 CFR 1152.29(e)(2), GTW shall file a notice of consummation with the Board to signify that it has exercised the authority granted and fully abandoned the line. If consummation has not been effected by GTW's filing of a notice of consummation by May 21, 2008, and there are no legal or regulatory barriers to consummation, the authority to abandon will automatically expire.
