U.S.C. 24308(a)--UNION PACIFIC RAILROAD COMPANY AND SOUTHERN PACIFIC

Decided: October 20, 1997

NOTICE TO THE PARTIES:

The attached service list has been compiled from the notices of intent to participate in this proceeding submitted in response to the notice and decision published in the Federal Register on October 7, 1997, at 62 FR 52374. Opening comments (original plus 10 copies) must be filed with the Board by November 10, 1997, and reply comments (original plus 10 copies) must be filed by November 25, 1997. Before a document filed in this proceeding may become part of our official record, it must be served on other persons designated as parties of record on the service list, and the document should so indicate. Any person who may have already filed written comments in this proceeding must serve them on all parties of record within 10 days after service of this service list. A person who is not designated a Party of Record on the service list need not be served with copies of filings but will be advised of all Board decisions in this proceeding.

Persons listed on the attached service list should review it and determine whether information about their address and status as a party (as a Party of Record or not a Party of Record) is correct. The list reflects our policy of allowing only one official representative per party to be placed on the service list.

We will issue a corrected service list before opening comments are due, unless there are no corrections. Any requests for change of status, correction of address information, or deletion from the service list must be filed in writing with the Board by October 27, 1997. An original and 10 copies of such requests should be directed to:
